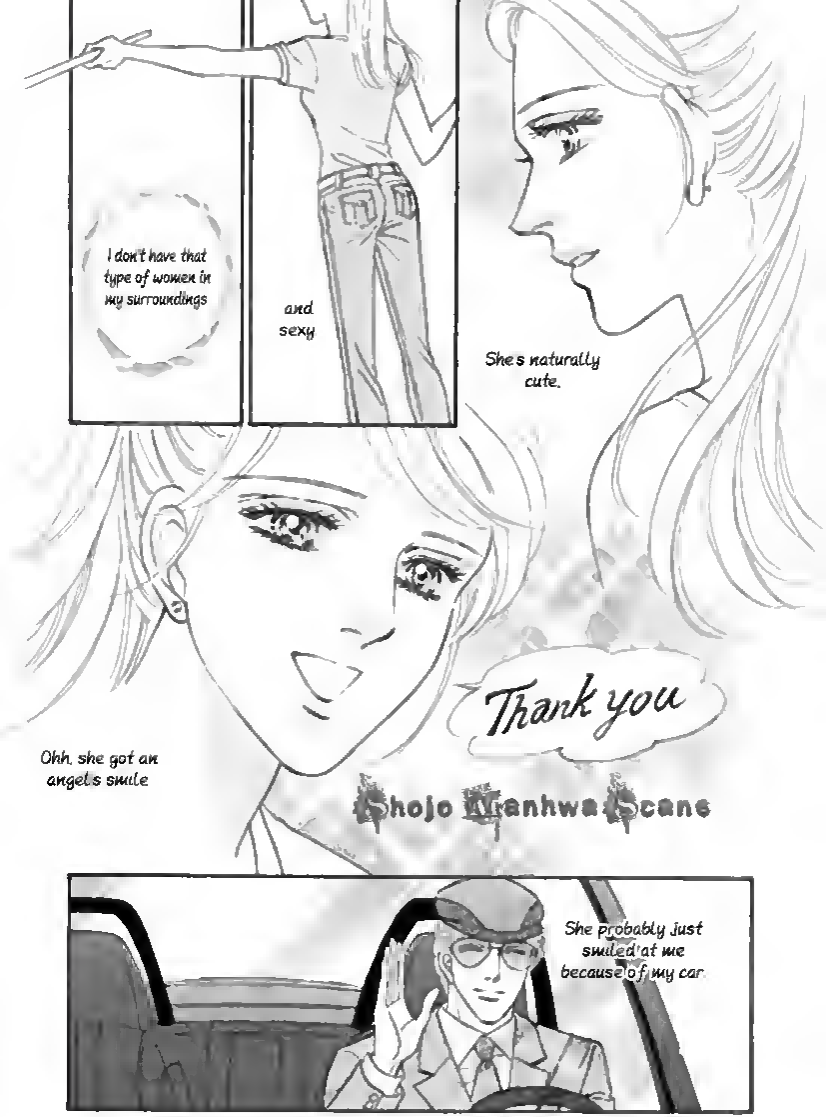
It's so cool

STOP
STOP!
!?

You're car is nice.
Shojo Manhwa Scans

Stopped for the preschooler's cross-walk side.
Be careful
.....
STOP
Who would've imagined...
And also..
I feel something attractive from this teacher
That Sydney Lake's billionaire Peter Ramsey who was selected as the number one bachelor that most women want to marry..



I don't have that type of women in my surroundings
and sexy
She's naturally cute.
Thank you
Ohh, she got an angel's smile
Shojo Manhwa Scans
She probably just smiled at me because of my car

Well it would be a waste if I just leave here
P

I should be careful with the media so I don't end up in the papers.
Today's story is called "rainbow princess"
BUMP
This princess lives in a beautiful village and she has a beautiful smile like a rainbow ..

Shojo Manhwa Scans

Blue eyes smooth brown hair
Whoa, he's so tall and handsome
Like a fairytale prince.
Akk, he is sitting next to us.
How am I supposed focus on this story.
So what happened?
Oops, I am working

Her expressions are full of so many kinds ..
Rhythmical and good voices
BLACK
3 years ago
Damien who is married to my sister Charlotte once said...
Her smile is makes people happy and she's
like the Rainbow Princess

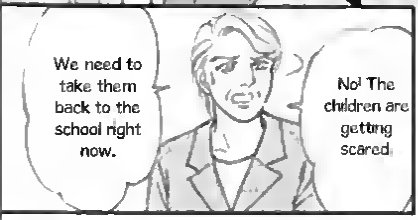
No don't rush.
I broke up with Alisha just a while ago who was very calculating, something that I loathe
All women are the same
Then why did I follow her to the park?
WAIT! WHAT ARE YOU DOING?!?
Life partner? You will know when you once meet her.
There'll be a voice in your head,
Saying, "don't lose this woman!"
So is it her?

Kidnapping?
DON'T COME ANY CLOSER!
I HAVE A RIGHT TO TAKE THOMAS!
THIS KID IS MY SON!
If you take him away from here, we will call the cops
Mr. Harper. We are in charge of Thomas, his mother left him in our care

HIS MOTHER LIED THAT I ABUSED HIM SO THE BULLSHIT JUDGE WILL LISTEN TO HER!
THIS IS ONLY WAY!
WAIT, PLEASE CALM DOWN MR. HARPER.
No, don't Sara!
THIS KID IS ALL I HAVE...
I DON'T CARE IF SHE CHOOSE THAT BASTARD WHO GOT MONEY BUT.
If we report to the cops, you'll probably never see Thomas anymore.
Please request the court for the child custody right then they will grant your request.
Wait!
I WILL CALL THE COPS!
Shojo Manhwa Scans

I was just passing by,
If you call the cops, it will complicate the matter.
You are...
If anything happens to Thomas, we'll be responsible for it!
Its really looking that way but...
Right?
Nothing will happen to Thomas.

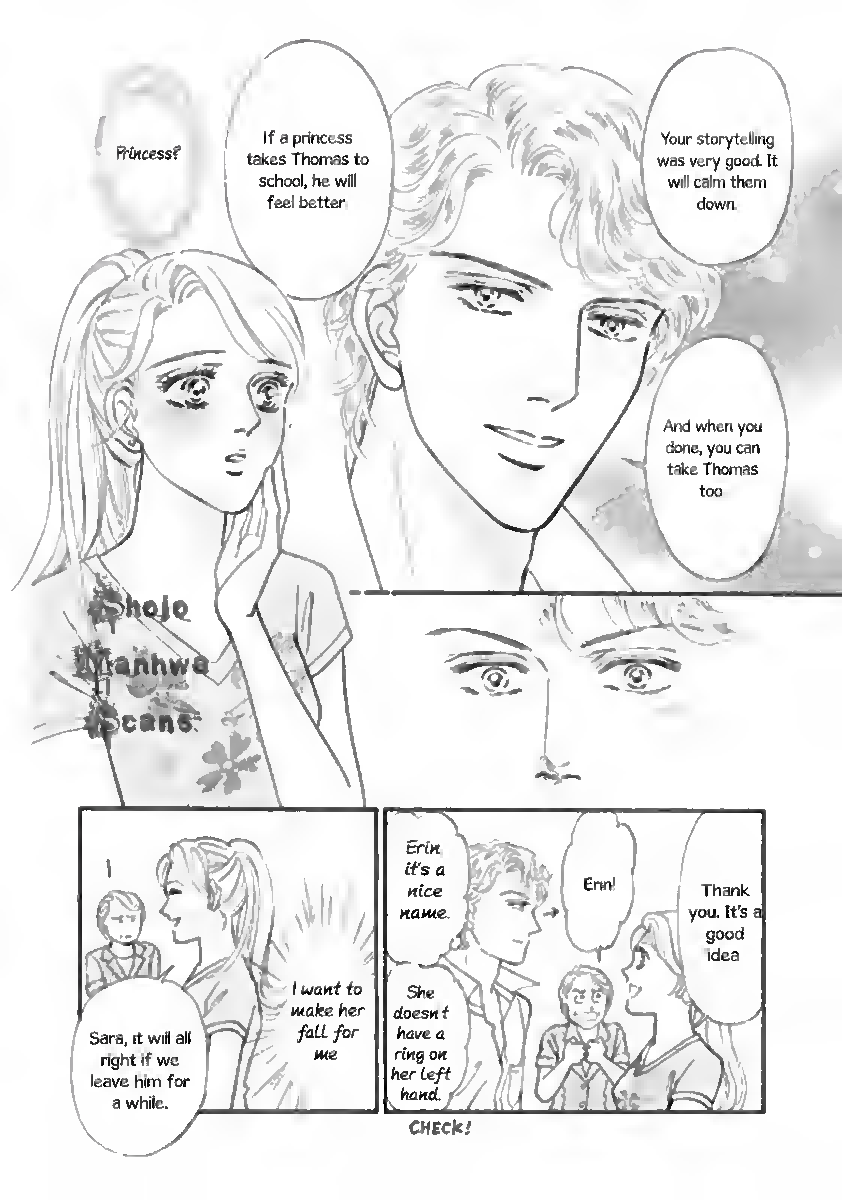
IT'S MY DAD!
I WANT TO BE WITH DAD TOO!
Oh... oh
Dad, don't cry, it makes me sad!



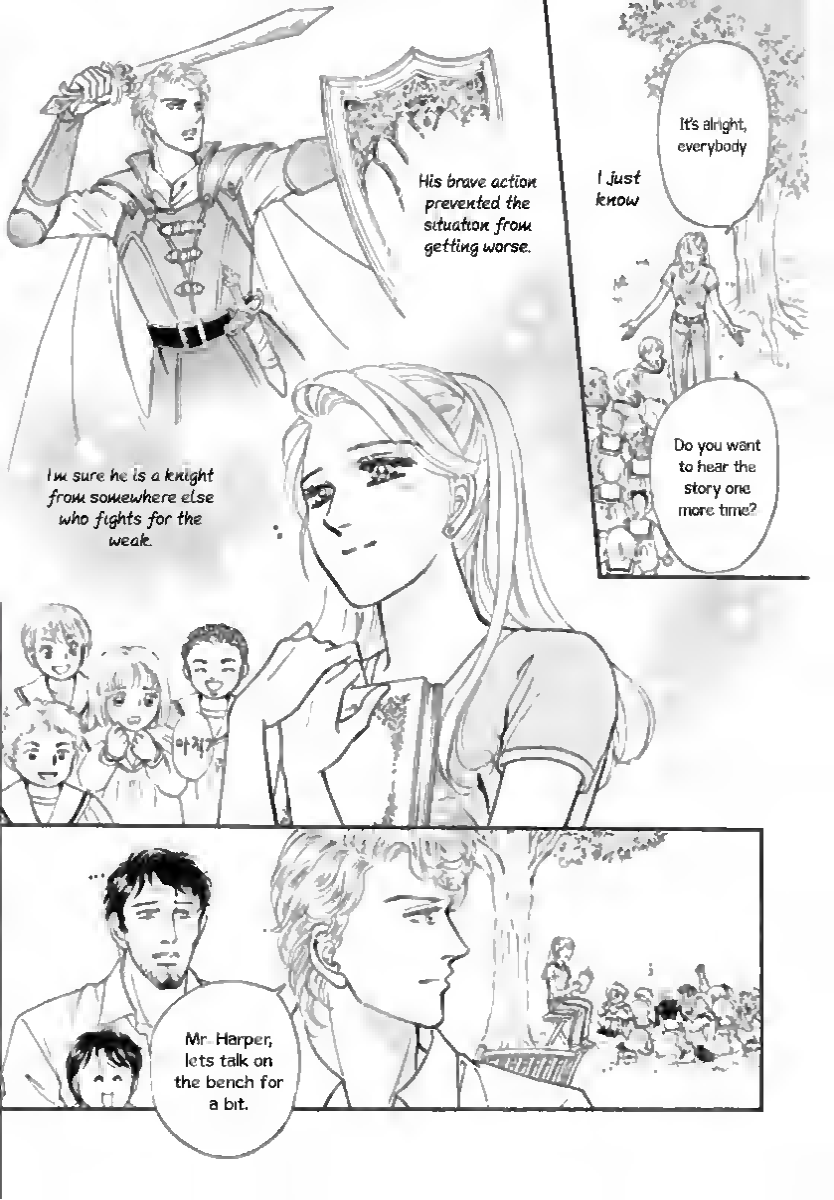
We need to take them back to the school right now.
No! The children are getting scared.

Then can you tell them the story one more time?

While you're playing with the children, let him play with his son on the bench?



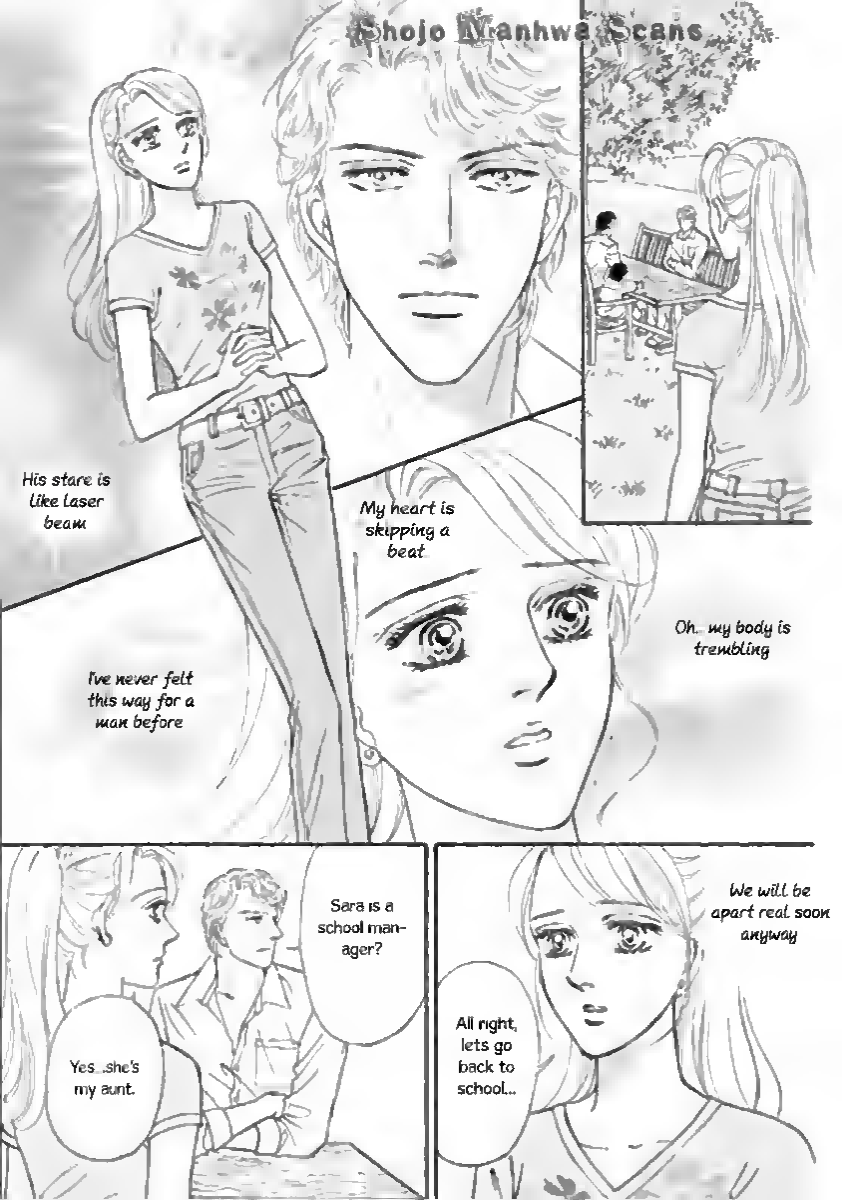
Princess?
If a princess takes Thomas to school, he will feel better
Your storytelling was very good. It will calm them down
And when you done, you can take Thomas too
Shoje Manhwa Scans
I
Sara, it will all right if we leave him for a while.
I want to make her fall for me
Erin, it's a nice name.
Erin!
Thank you. It's a good idea
She doesn't have a ring on her left hand.
CHECK!



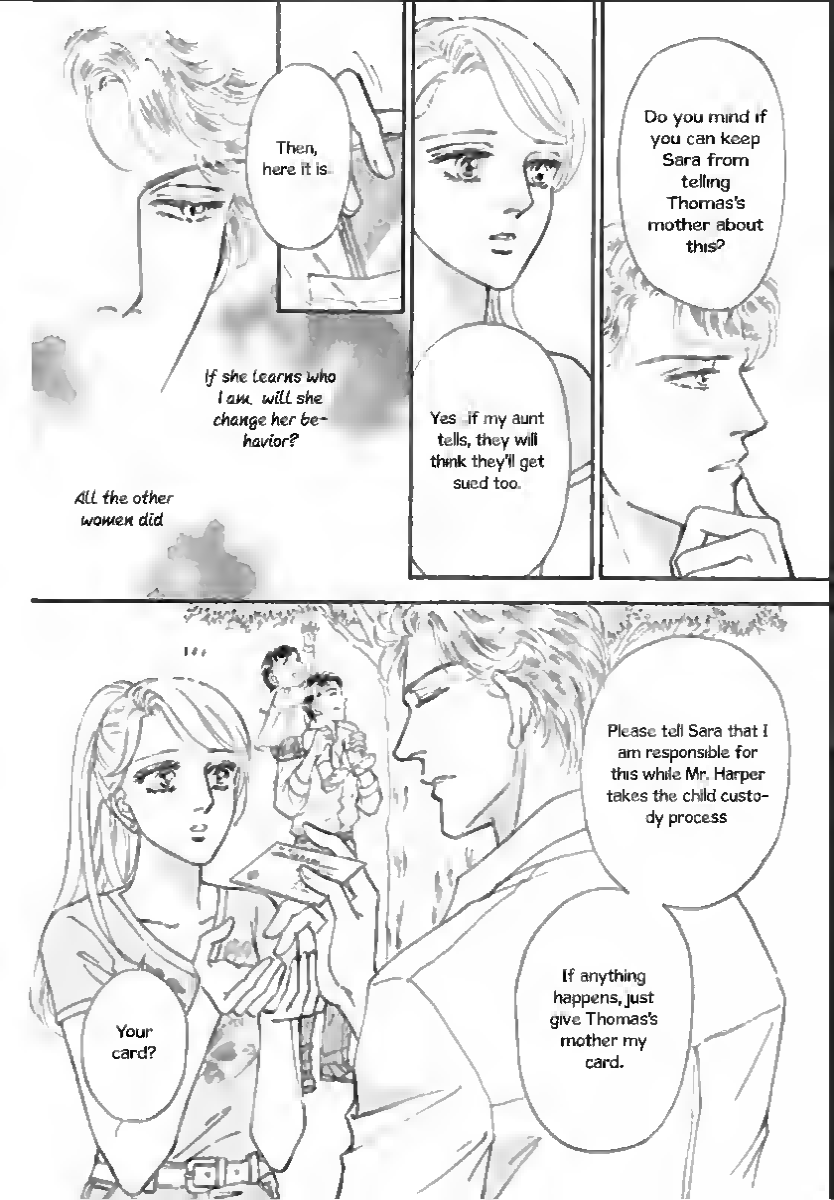
His brave action prevented the situation from getting worse.
I'm sure he is a knight from somewhere else who fights for the weak.
I just know
It's alright, everybody
Do you want to hear the story one more time?
Mr. Harper, lets talk on the bench for a bit.

Peter Ramsey?
You will help me get a good lawyer...
and give me a stable job
Who are you?
Huh. what in the world are you doing here without some attendant.
I'm just walking around on my own.
Why did you help me. you don't know me...
I just want to...because I can help
This child needs a father in his life too
Th..Thank you

Shojo Manhwa Scans

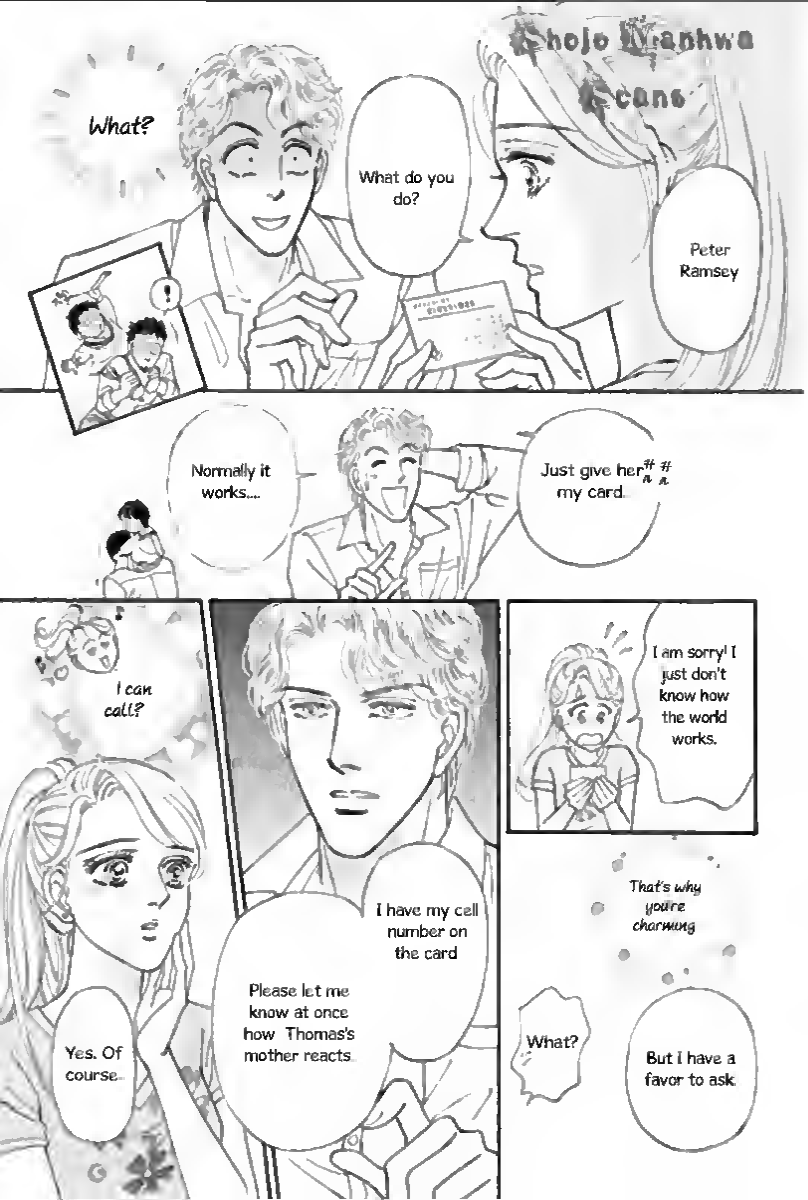


His stare is like laser beam
My heart is skipping a beat
Oh.. my body is trembling
I've never felt this way for a man before
Sara is a school manager?
Yes..she's my aunt.
All right, lets go back to school...
We will be apart real soon anyway



Then, here it is.
If she learns who I am, will she change her behavior?
All the other women did
Yes. If my aunt tells, they will think they'll get sued too.
Do you mind if you can keep Sara from telling Thomas's mother about this?
Please tell Sara that I am responsible for this while Mr. Harper takes the child custody process
If anything happens, just give Thomas's mother my card.
Your card?

Shojo Manhwa Scans

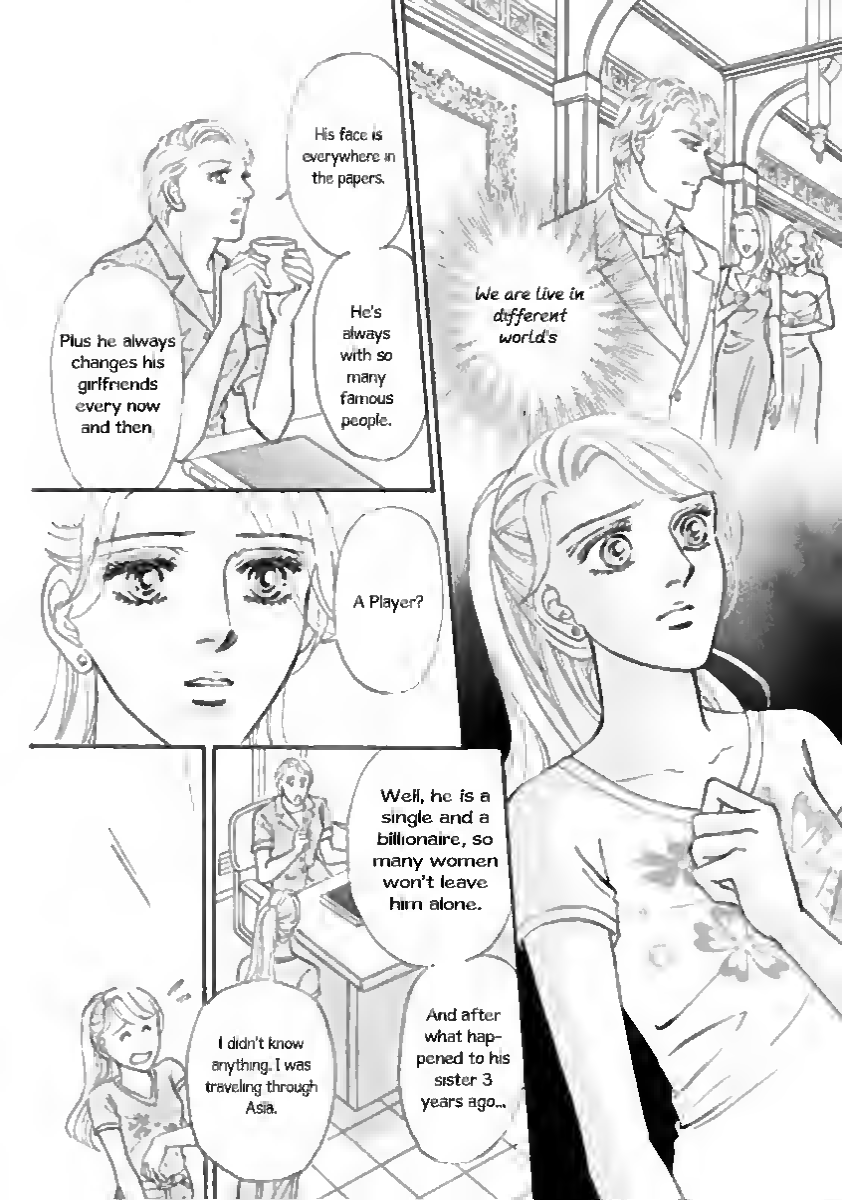


What?
What do you do?
Peter Ramsey
Normally it works....
Just give her my card.
I can call?
I have my cell number on the card
Please let me know at once how Thomas's mother reacts.
Yes. Of course.
I am sorry! I just don't know how the world works.
That's why you're charming
What?
But I have a favor to ask.

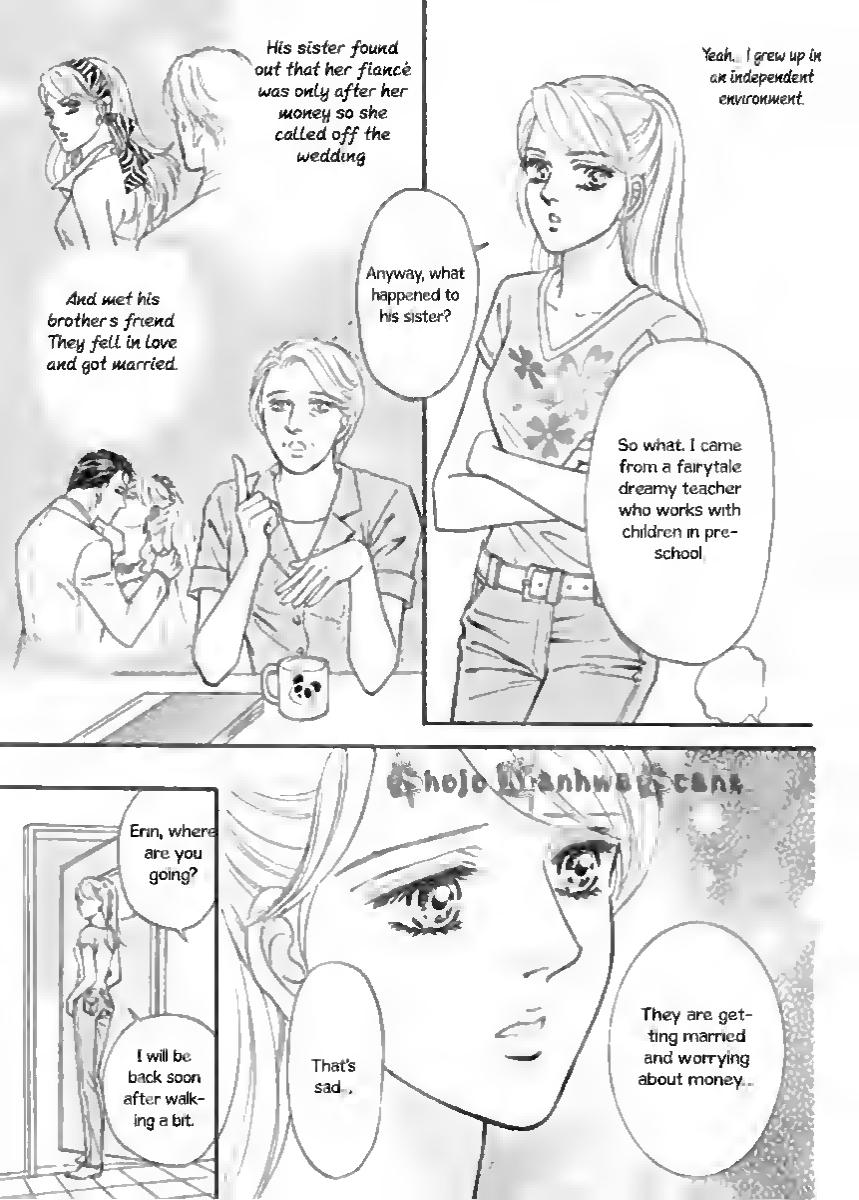
That's great Thomas!
Yeah! Me too!
DANCING
I am sorry for causing trouble.
No it's alright.
I didn't act like an adult
It's not like I met a celeb-rity
What a nice teacher she is

Shojo Manhwa Scans

Wow it actually worked..
Peter Ramsey?!?
What does he do?
That face! I didn't imagine it would be him because he was alone in the park.
You don't know? It's him, the huge and traditional successor of region empire's son!
He's got a huge fortune from his father and runs a huge company and is a well-known prince!



His face is everywhere in the papers.
He's always with so many famous people.
Plus he always changes his girlfriends every now and then
We are live in different world's
A Player?
Well, he is a single and a billionaire, so many women won't leave him alone.
And after what happened to his sister 3 years ago...
I didn't know anything. I was traveling through Asia.



His sister found out that her fiancé was only after her money so she called off the wedding
Yeah.. I grew up in an independent environment.
Anyway, what happened to his sister?
And met his brother's friend They fell in love and got married.
So what. I came from a fairytale dreamy teacher who works with children in pre-school
Erin, where are you going?
I will be back soon after walking a bit.
That's sad..
They are getting married and worrying about money..
Shojo Manhwa Scans

Why am I attracted to him?
But...
Ohㅡ! It's not possible for him to be my prince.
He is a prince who always has scandalous news in the papers
I want to meet him one more time.
If he knows who I really am...
I want to know more about him
Shojo Manhwa Scans

It's Evin
Mr. Harper's wife just left so I called..
This is Peter Ramsey.
Even though we don't have a future together...
Do you mind if ..
I've been waiting. I want to ask several questions,
Yes. I would like to
We have dinner tonight?

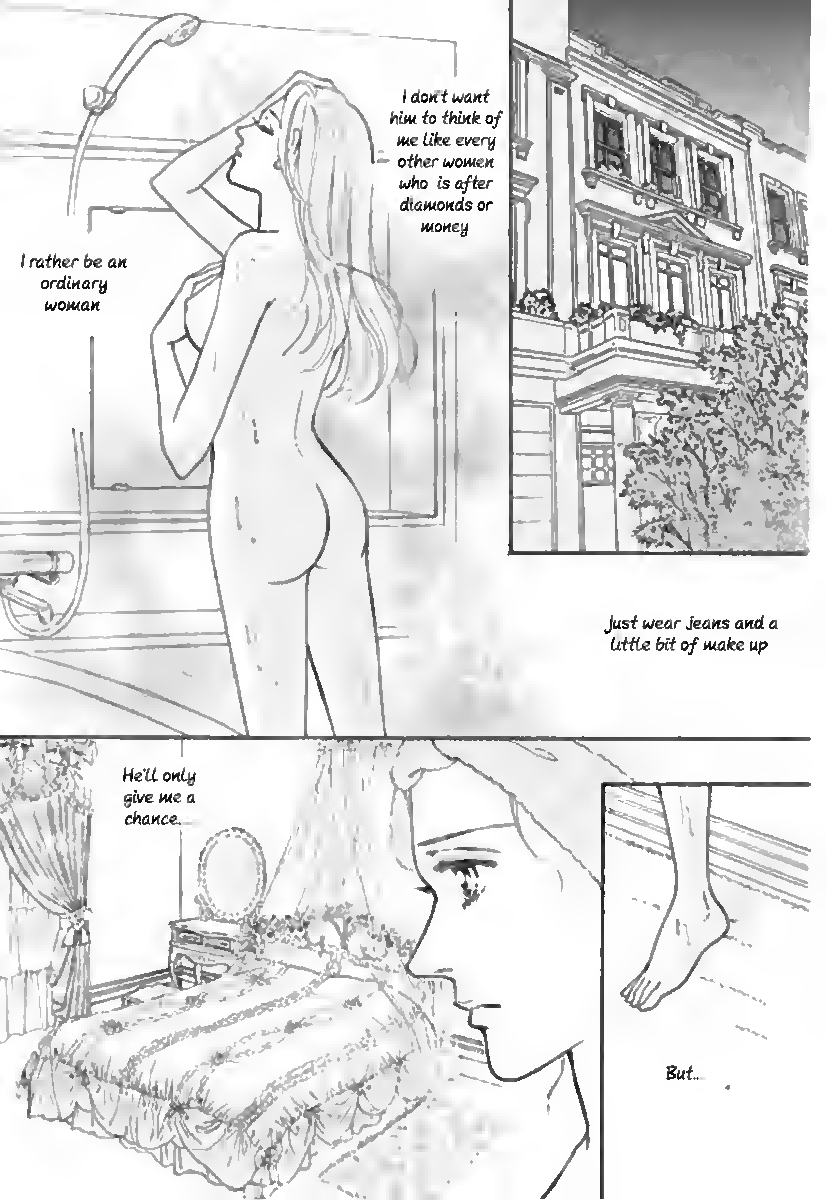
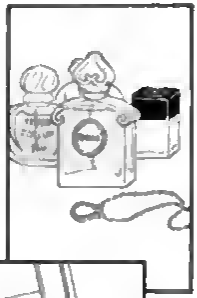
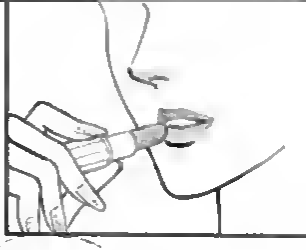
Oh Enn you're still here?
Gak! It's like a dream!
Dinner with him!
You ignored me?!?
He might misunderstand if I mention a fancy restaurant
Is it okay if its just a simple restaurant?
Yeah
Okay we'll meet at 7:30.
Oxford 'Titanic Tie' restaurant?
Time and location?
Anywhere you like.
Shojo Manhwa Scans



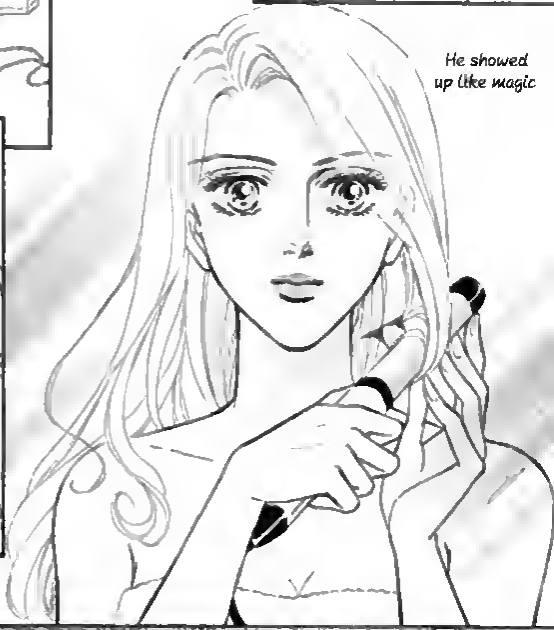
I don't want him to think of me like every other women who is after diamonds or money
I rather be an ordinary woman
Just wear jeans and a little bit of make up
He'll only give me a chance..
But..



Sometimes a woman can use magic too

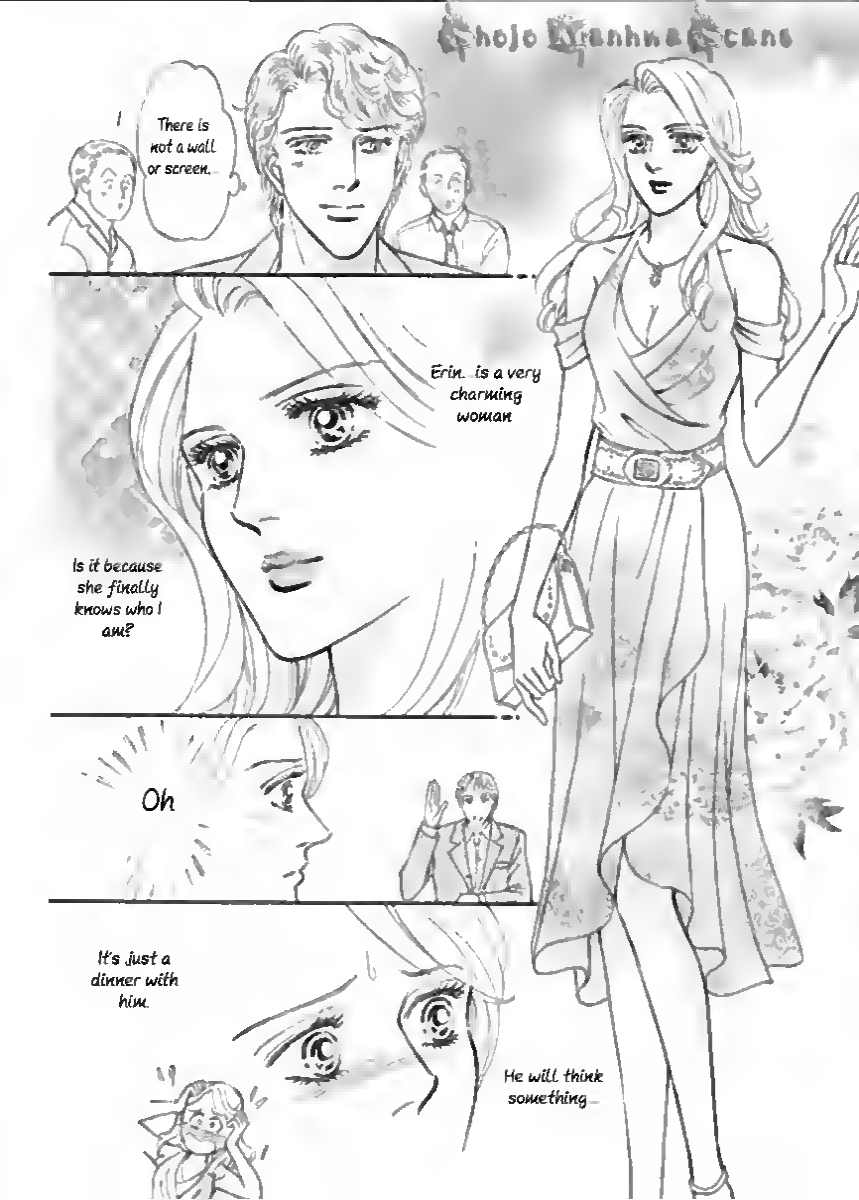


He showed up like magic

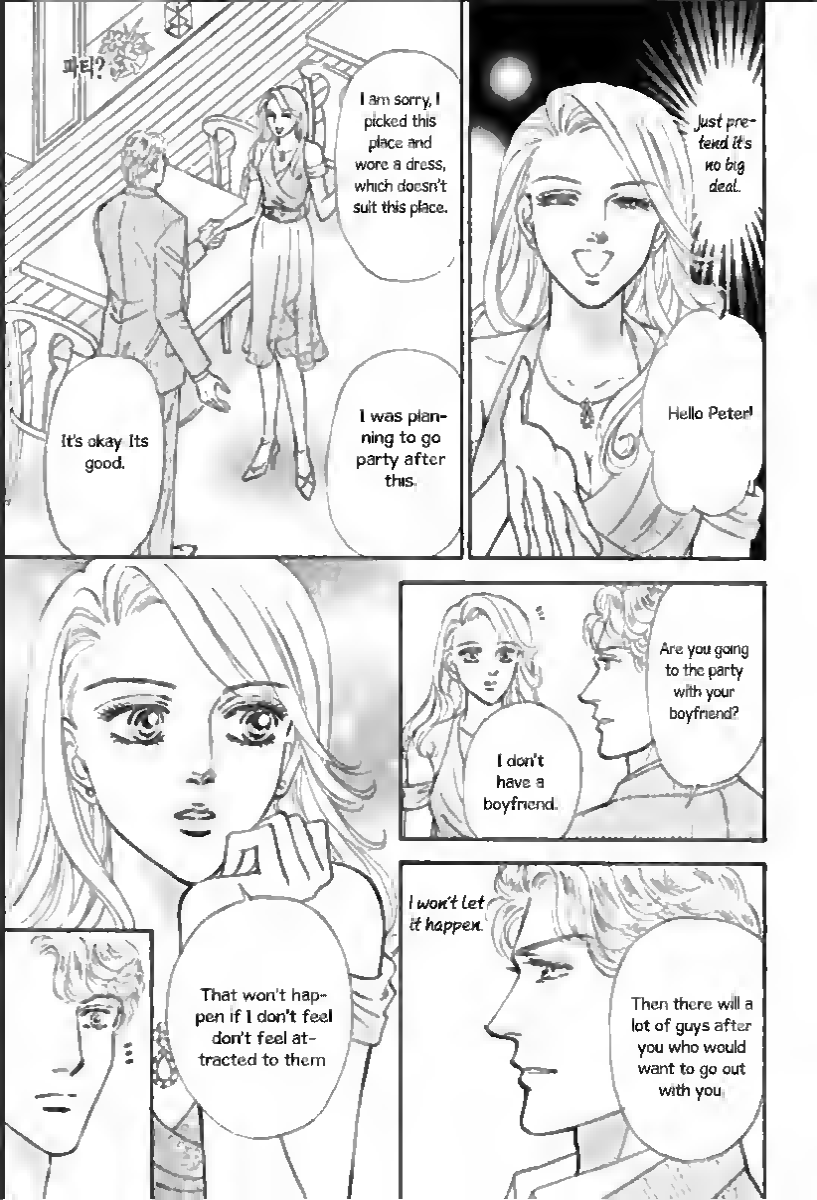


She knows my real identity and yet she picked this place
A nice and casual restaurant
She is afraid I am sure
I want to try harder this time
I want to break her firm firewall and
....
I want to make her rainbow smile mine tonight!

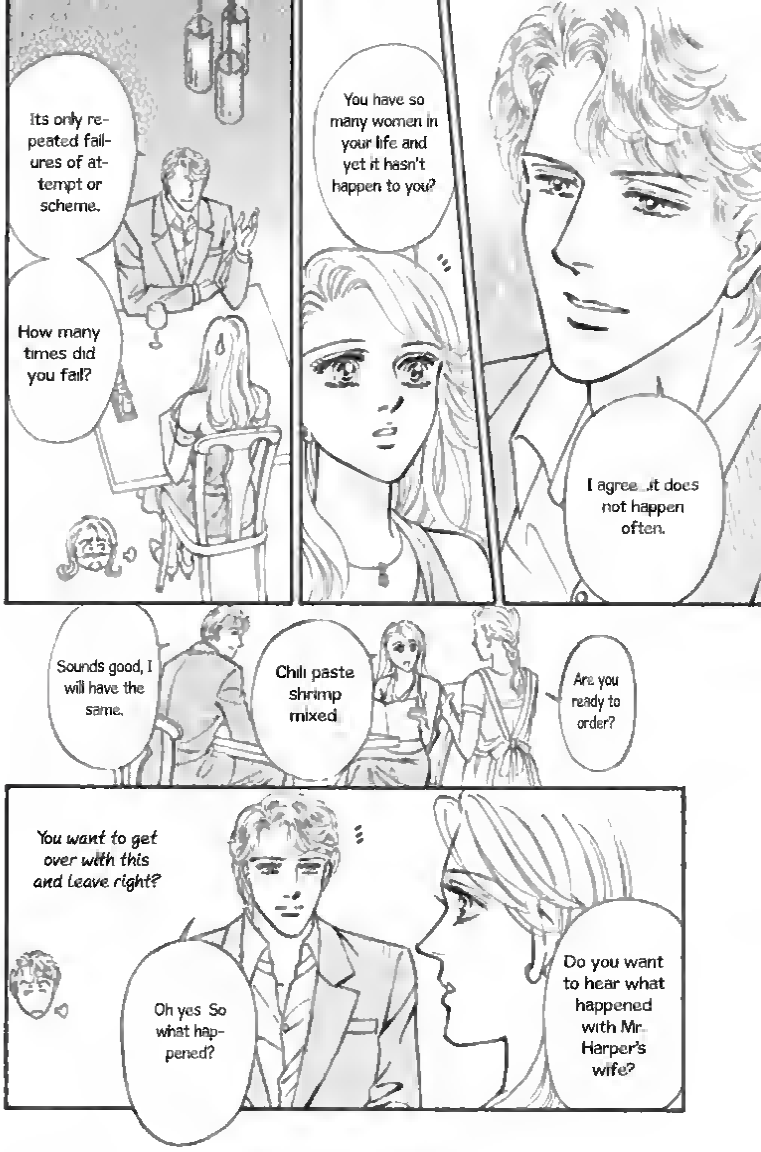
Chojo Manhwa Scans



There is not a wall or screen.
Erin... is a very charming woman
Is it because she finally knows who I am?
Oh
It's just a dinner with him.
He will think something...



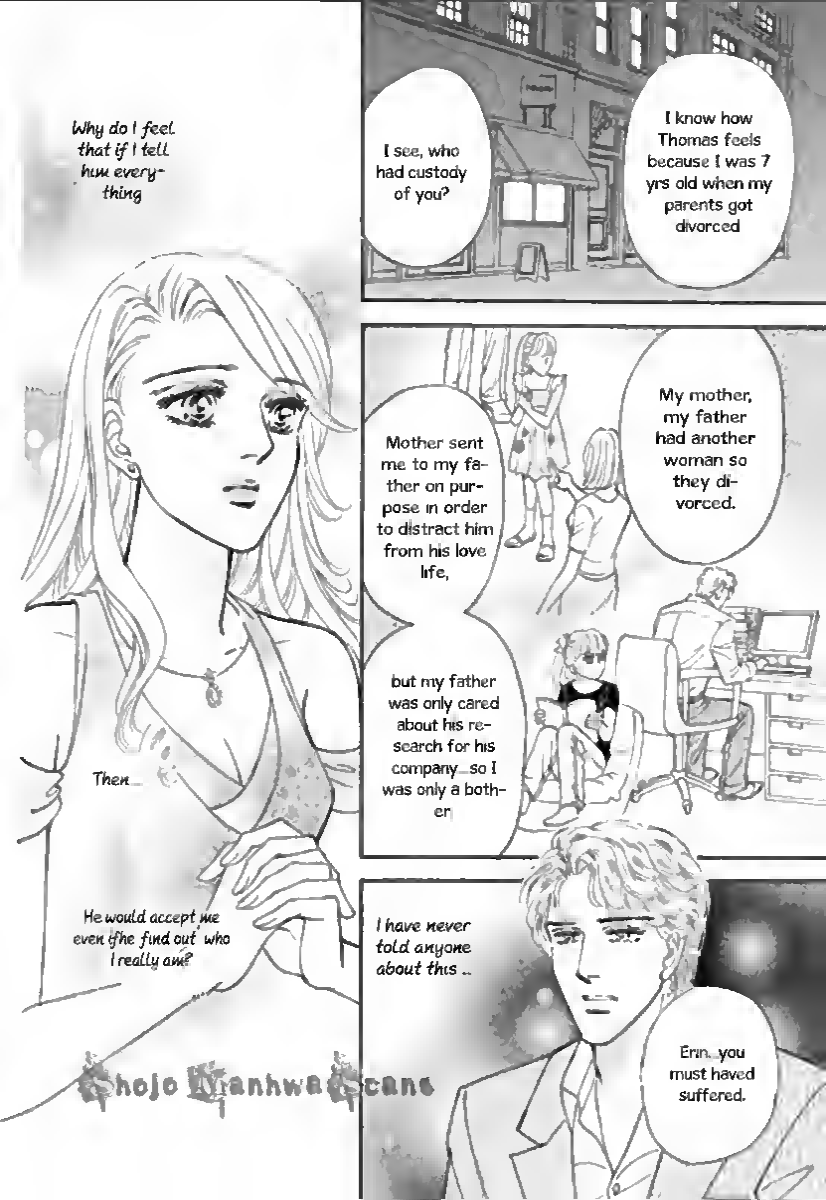
파티?
I am sorry, I picked this place and wore a dress, which doesn't suit this place.
It's okay. Its good.
I was planning to go party after this.
Just pretend it's no big deal.
Hello Peter!
Are you going to the party with your boyfriend?
I don't have a boyfriend.
That won't happen if I don't feel don't feel attracted to them
I won't let it happen.
Then there will a lot of guys after you who would want to go out with you.



Its only repeated failures of attempt or scheme.
How many times did you fail?
You have so many women in your life and yet it hasn't happen to you?
I agree...it does not happen often.
Are you ready to order?
Chili paste shrimp mixed
Sounds good, I will have the same.
You want to get over with this and leave right?
Oh yes So what happened?
Do you want to hear what happened with Mr. Harper's wife?

Choio Manhwa Scans

Indeed she tried to trap him in her scheme
She got mad because we didn't call the cops
She already predicted that he would appear so she got angry.
I pity Thomas.
she said "nobody can get in my way!" it's like she is only thinking for herself.
But you helped Mr harper and she was surprised,
What's wrong?
But it's actually not like that...
He thinks I'm a teacher?
It must be hard on you since you are a preschool teacher

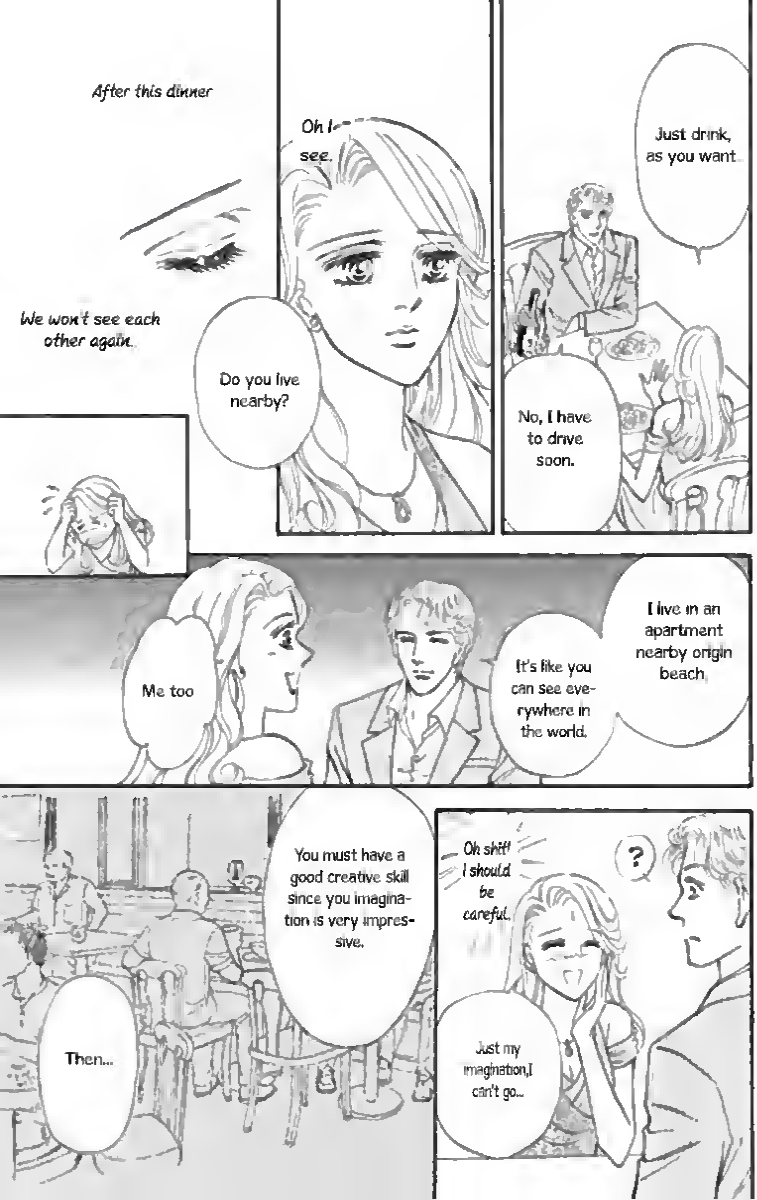


I know how Thomas feels because I was 7 yrs old when my parents got divorced
I see, who had custody of you?
My mother, my father had another woman so they divorced.
Mother sent me to my father on purpose in order to distract him from his love life,
but my father was only cared about his research for his company...so I was only a bother
I have never told anyone about this ..
Erin...you must haved suffered.
Why do I feel that if I tell him everything
Then...
He would accept me even if he find out who I really am?
Shojo Manhwa Scans

I will fight for my child with everything I've got.
But it's not like all fathers are the same,
if it was in Mr. Harper's shoes,
Oh, no I can't tell him the truth.
If I become his enemy he will become a cold ruthless man.
I believe that people should not have children if they can't make a warm and happy family for them.
So you won't get married Erin?
Again...

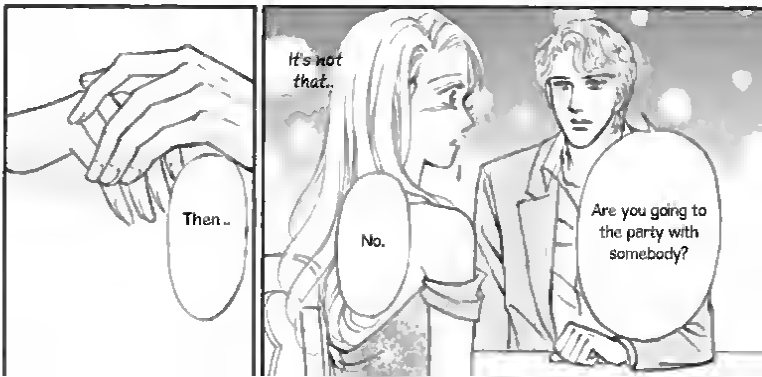
Those eyes looks lonely
They only want something from me in a return as usual
Do you think there is someone who will treat me as a normal person out there?
What about you? You can choose whoever you want since you are the successor of Region Empire.
He too
feels lonely
Peter, I want to know you.
More deeply..
Wine Erin?
No thanks. I want to be sober and talk.

Shojo Manhwa Scans



After this dinner
We won't see each other again.
Oh I see.
Do you live nearby?
Just drink, as you want.
No, I have to drive soon.
I live in an apartment nearby origin beach.
It's like you can see everywhere in the world.
Me too
You must have a good creative skill since you imagination is very impressive.
Then...
Oh shit! I should be careful.
?
Just my imagination,I can't go...

Can you imagine a place that we would go together Erin?
Tonight ...
You said?
Tonight



Then..
It's not that..
No.
Are you going to the party with somebody?

Oh, it feels like I can't breath.
Yes ..nght.
It's not good for the fairy-tale story to end here.
Lets go. Just wait for my horse.
Lets go together
Every fairy-tale story has a prince,
who will take his princess to the castle right?

Its like Cinderella's feelings who were in a magic moment
I am asking you Clock, please don't stop
We live in different world's and we met unintentionally
Shojo Version Scene

Coincidence ?
Were you stopped by the crosswalk just before?
He was just passing by and saw me once?
So does that mean he does the same to every woman sees?
It can't be.
I was attracted to your smile so I followed to the park.
Yes, right.

I, too always think of that in my imagination
But...
Is this a game?
No its not.
I always lived in a gray world
Until I saw you a while ago, I found a colorful world again.
Shojo Manhwa Scans

If it's you, I won't regret it.
Even though its only just a one night dream.

The wind is nice.
Come here.
It's a very beautiful castle.
Yes...
Can I undress you here?
Oh...
I want to touch all of you...

Only one between a man and a woman.
Live and share happiness together
Me too
I want us to be one together.

Good Morning.
Umm..
Bump dump
Oh. !
He's still going on about a fairytale story?
It's my day off, so what's your plan for today?
It was not a dream
Good Morning.
A princess doesn't wake up before a kiss.

Oh do I have to dress like Maul Reborn Cup style?
Wow! It sounds fun!
Want to go to a racetrack with me? My horse is going to race for first time.
Don't worry
I'll will make you the best princess
I just told the best designer in Sydney to get a dress for you
Lisa H., Peter M., Chloe D,
What's your favorite?
Is he for real?

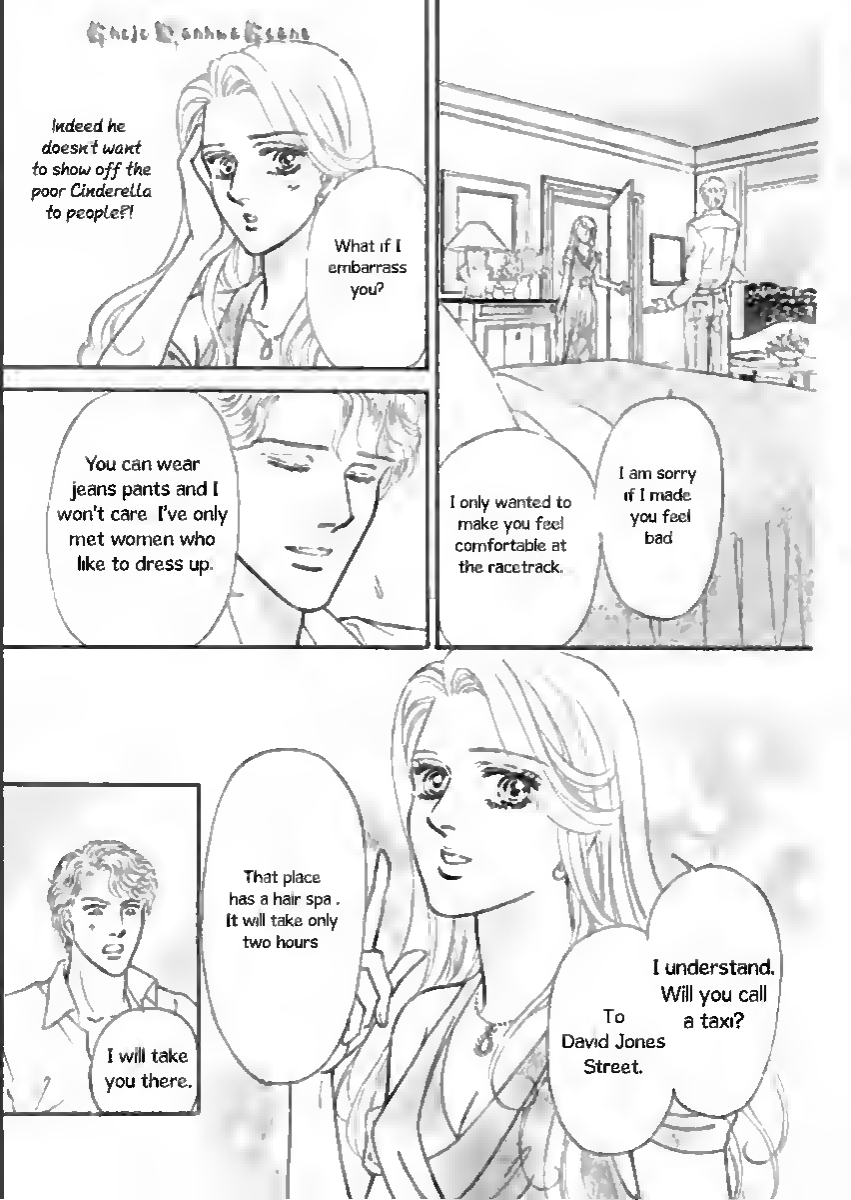
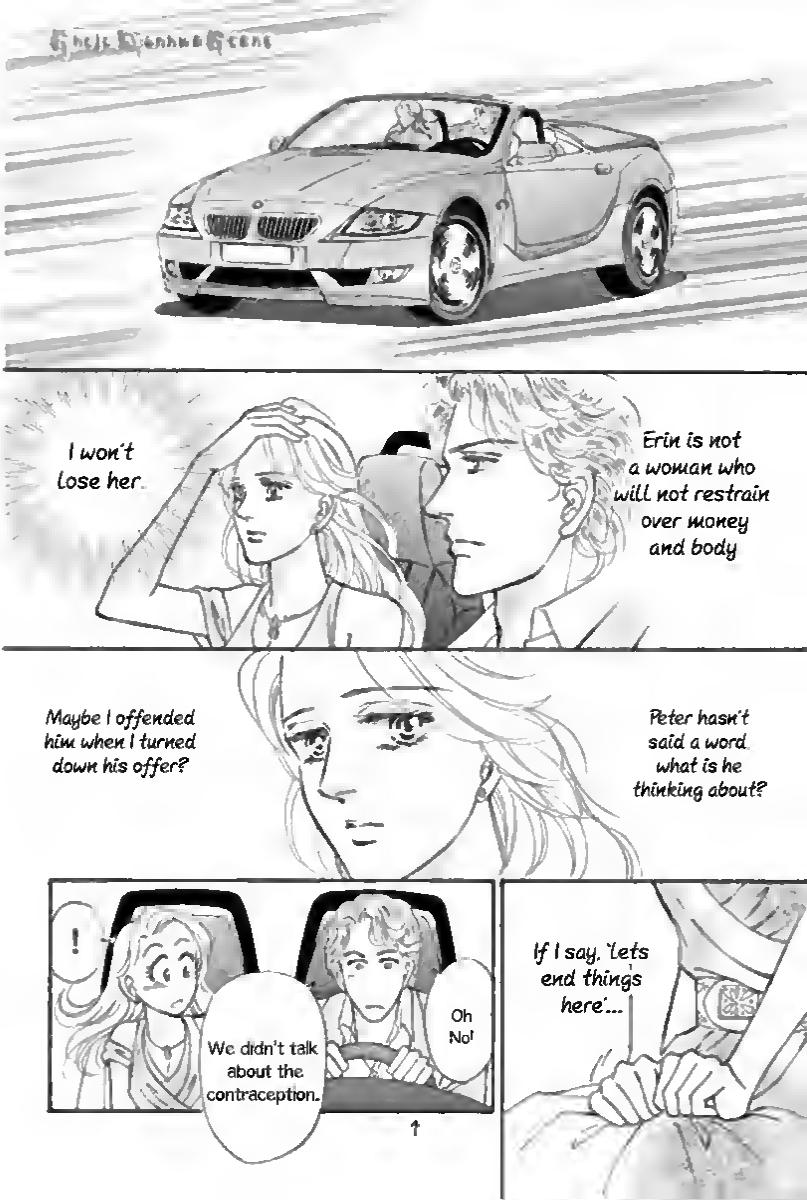
You don't accept it, Erin?
Doesn't need it?
No. I don't need it.
I am going to take a shower.
Her independent core is not funny
I don't want anyone to control me!
I am not your doll.
what I'm going to wear is my decision.
I will be glad to go to the racetrack with you but,

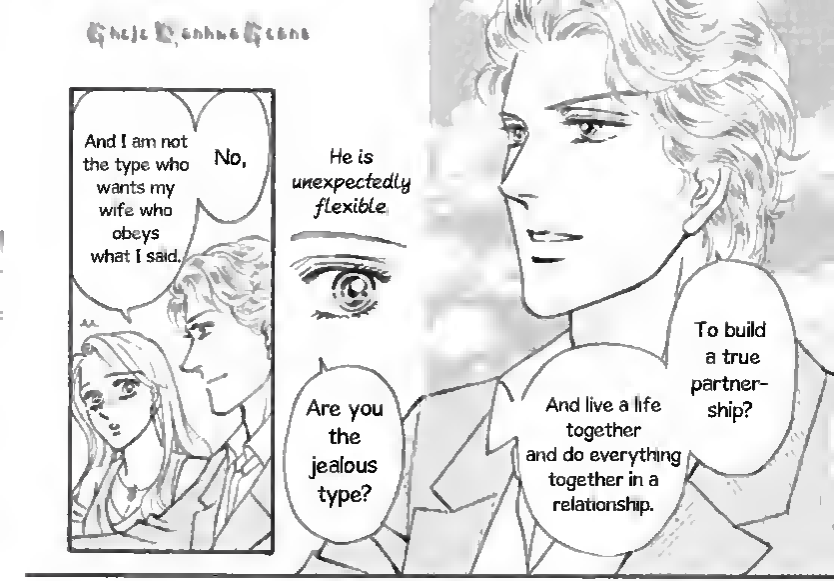


Indeed he doesn't want to show off the poor Cinderella to people?!
What if I embarrass you?
I only wanted to make you feel comfortable at the racetrack.
I am sorry if I made you feel bad
You can wear jeans pants and I won't care. I've only met women who like to dress up.
I will take you there.
That place has a hair spa. It will take only two hours
To David Jones Street.
I understand. Will you call a taxi?

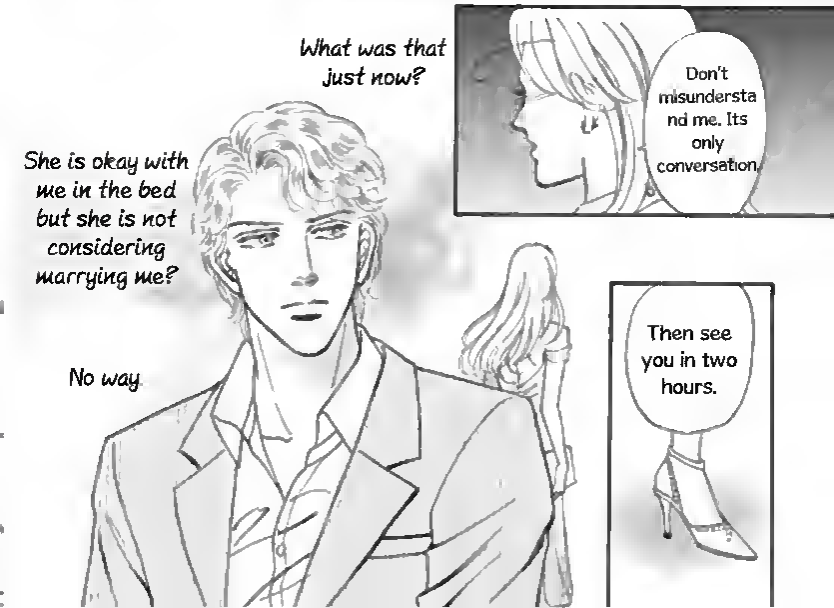


I won't lose her.
Erin is not a woman who will not restrain over money and body
Maybe I offended him when I turned down his offer?
Peter hasn't said a word. what is he thinking about?
!
We didn't talk about the contraception.
Oh No!
If I say, 'lets end things here'...

Have you thought about marriage and birth?
I am 35 years old, what about you?
Oh I see..
Oh that
Don't worry; I took my birth control pills
What is a good wife?
I don't think I will be a good wife so...
I am 30 years old. I want to have children someday but,
What's your view on what marriage should be like?
If it was opposite, I will.
That means I have to obey and follow what my husband says right?

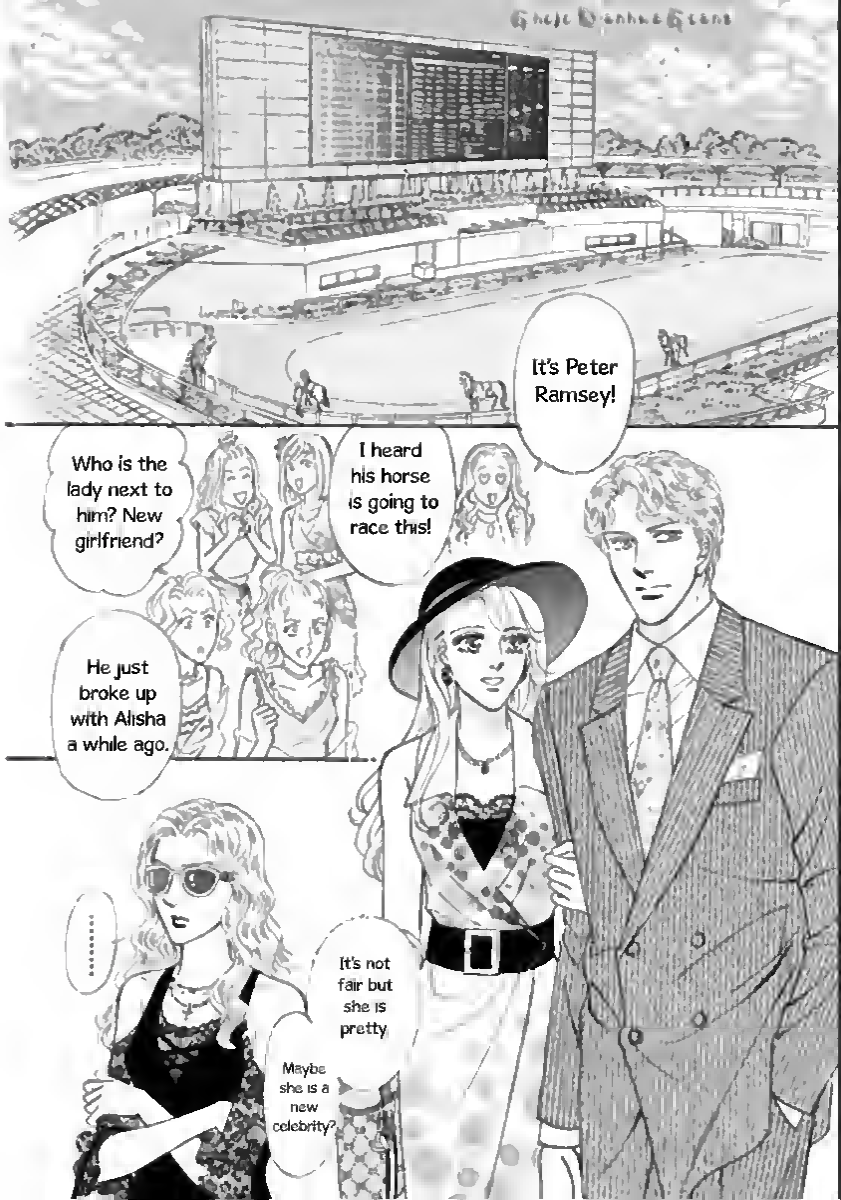


To build a true partner-ship?
And live a life together and do everything together in a relationship.
Are you the jealous type?
He is unexpectedly flexible
No,
And I am not the type who wants my wife who obeys what I said.



Don't misunderstand me. Its only conversation.
What was that just now?
She is okay with me in the bed but she is not considering marrying me?
No way
Then see you in two hours.

Erin
It's almost two hours now.
She looks like she's stepping out a vogue of larva picture
Bump.
Yes. It looks very good, Erin.
Thank you for picking me up. Is this okay?
So do you.



It's Peter Ramsey!
I heard his horse is going to race this!
Who is the lady next to him? New girlfriend?
He just broke up with Alisha a while ago.
.....
It's not fair but she is pretty
Maybe she is a new celebrity?

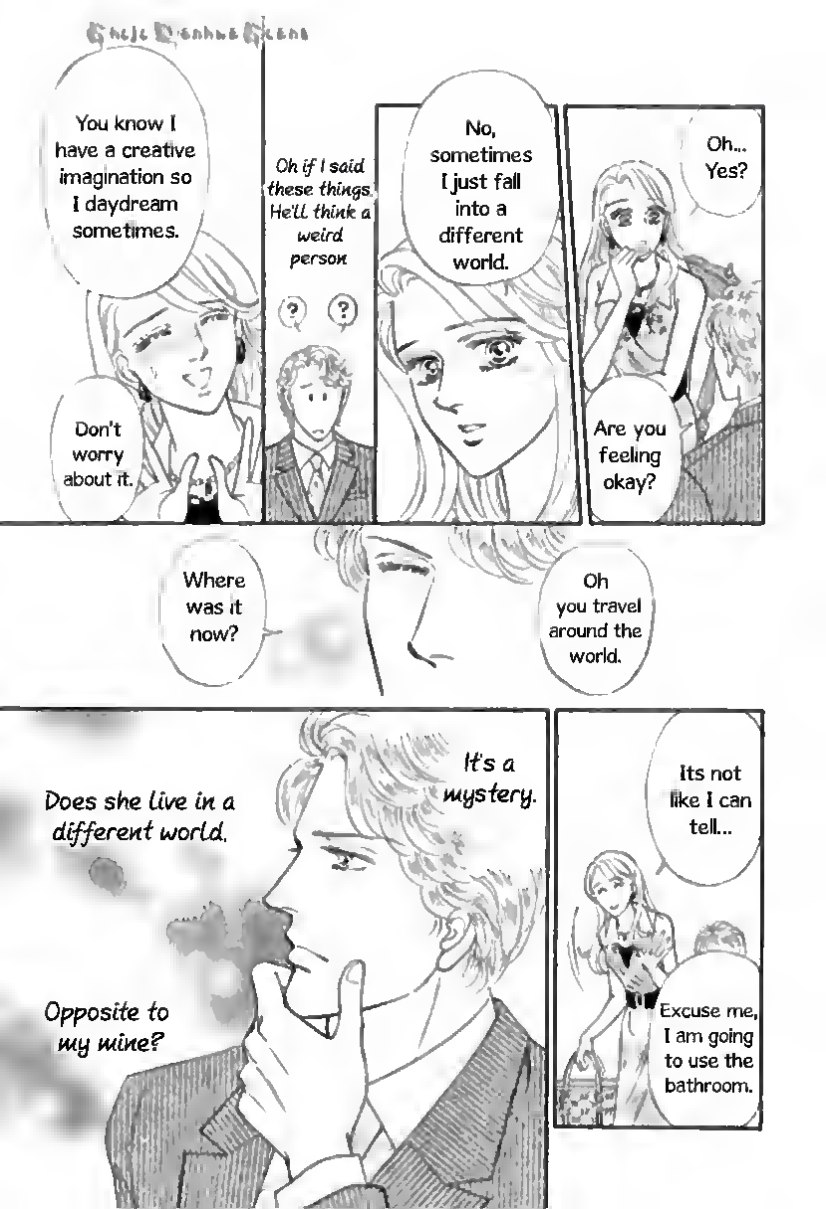
I'm Erin Lavelle.
These are Lace and Tom.
It's nice to meet you.
Erin's manner her green eyes and her rainbow smile.
Their charm is refreshing
As I thought
I don't remember where...
Erin Lavelle, I think I have read some articles about you.
Stiffness

Are you an actress?
No.
?
Today I am Peter's partner.
All right, the race is about start, are you ready?
Don't worry, I could care less that I met you in the park and you are a preschool teacher.
Thank you for saying that.
But if find out that this pre school teacher is
Actually a famous person.
Will you still smile like that?

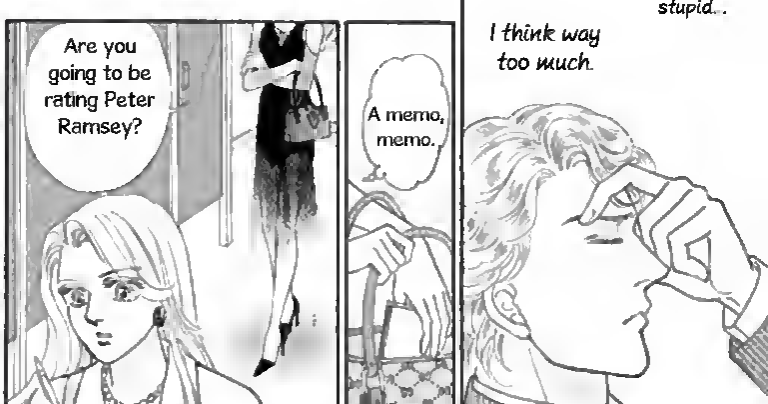
RACE COURSE
10 9 8 7 6 5 4 3 2
Bang!
That number 8 and red hat.
4
3
Ok! Number 8! Great!
Lets do it until the last corner!
Bump
Bump

It is!

두두두두——두
Oh yeah! We won!
Erin did you see?
What is she thinking about?
Yes..
Erin?

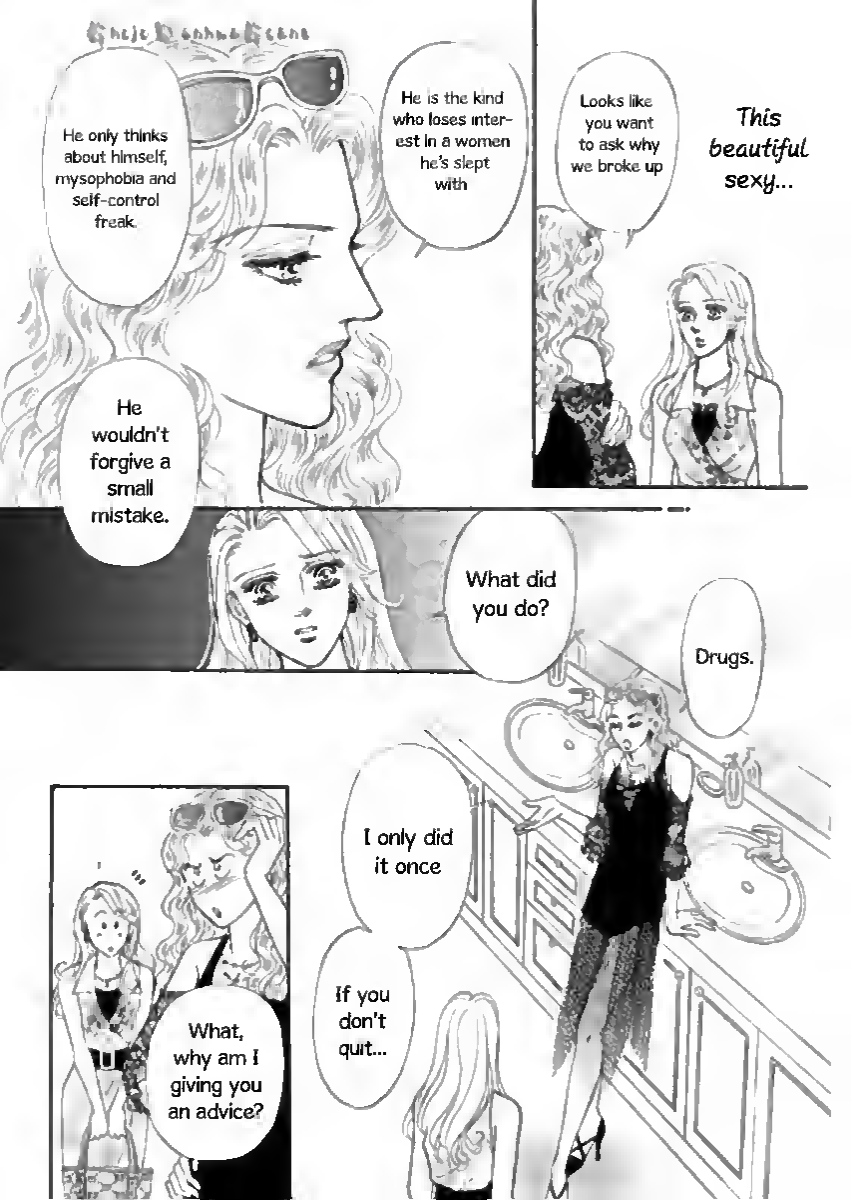


You know I have a creative imagination so I daydream sometimes.
Don't worry about it.
Oh if I said these things. He'll think a weird person
No, sometimes I just fall into a different world.
Oh... Yes?
Are you feeling okay?
Where was it now?
Oh you travel around the world.
Does she live in a different world.
It's a mystery.
Opposite to my mine?
Its not like I can tell...
Excuse me, I am going to use the bathroom.

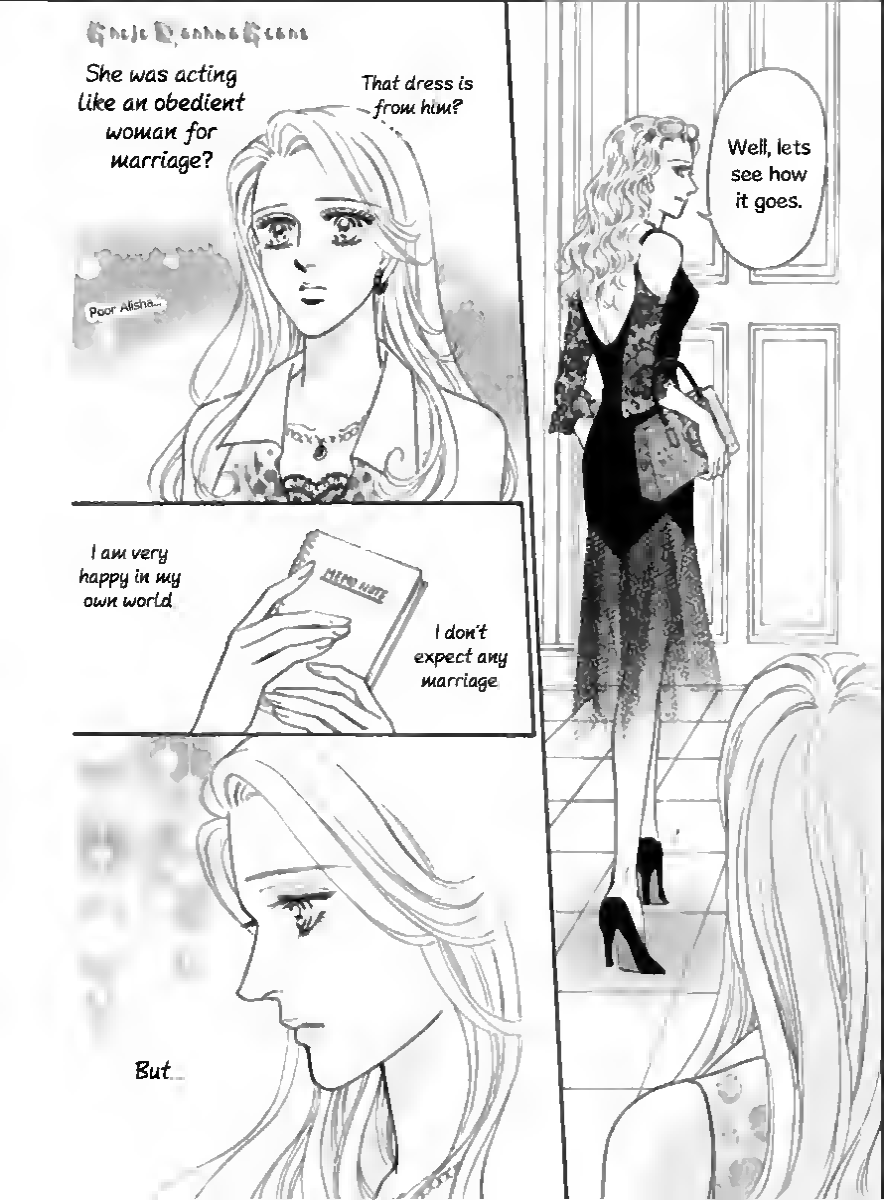


Are you going to be rating Peter Ramsey?
A memo, memo.
I think way too much.
Don't be stupid..

I am the latest ex girlfriend Peter dated.
I am a model, Alisha Heming.
Where the hell did he find you?
Excuse me, who are you?



This beautiful sexy...
Looks like you want to ask why we broke up
He is the kind who loses interest in a women he's slept with
He only thinks about himself, mysophobia and self-control freak.
He wouldn't forgive a small mistake.
What did you do?
Drugs.
I only did it once
If you don't quit...
What, why am I giving you an advice?

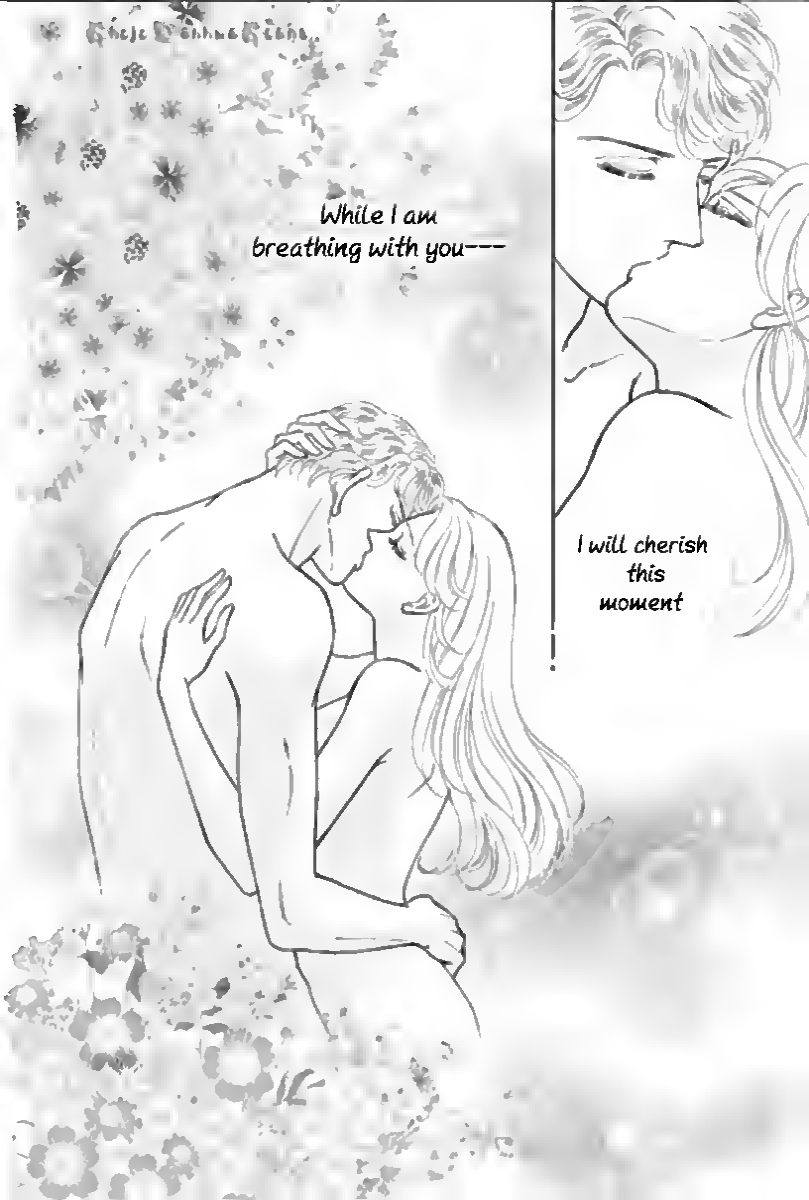


She was acting like an obedient woman for marriage?
That dress is from him?
Poor Alisha...
Well, lets see how it goes.
I am very happy in my own world
MEMO NOTE
I don't expect any marriage
But...

I saw Alisha follow you,
I couldn't prevent it but did anything bad happen?
Are you alright?
What's going on?
Erin!
He was worried enough to come over here?
Lets go. My horse is waiting.
That's a relief
Indeed I know that too.
No worries. She told me that you said don't do drugs.

Will I end up like Alisha?
He will lose interest in a woman whom he sleeps with!
Sweet eyes,
Warm hand...
But

Oh...If I imagine my life without him
Is it love?
It hurts my heart



While I am
breathing with you---
I will cherish
this
moment

Erin...
I am happy.
This satisfies me.
Why are you crying?
You are the best.

Hello?
Oh mother, what's going on? It's too early in the morning...
P. P. P. P. P.
P. P. ...
Then you didn't read the newspaper this morning?
Were you sleeping?
My horse is winning in the racetrack!
Oh right, congratula tions.
Do you have anything to say before saying about my new girlfriend and stuff?
You and Erin Lavelle are on the front page of the papers!

She is a famous children's writer!
Don't pretend!
Erin is not an ordinary woman so I am shocked...
Not ordinary?
What do you mean?
Any children hospital has her books on the first shelf!
She never mentioned...
I will talk to Erin first then call you later.
Peter?
I am, too, a huge fan. I want to meet her.
Please bring her here for lunch.

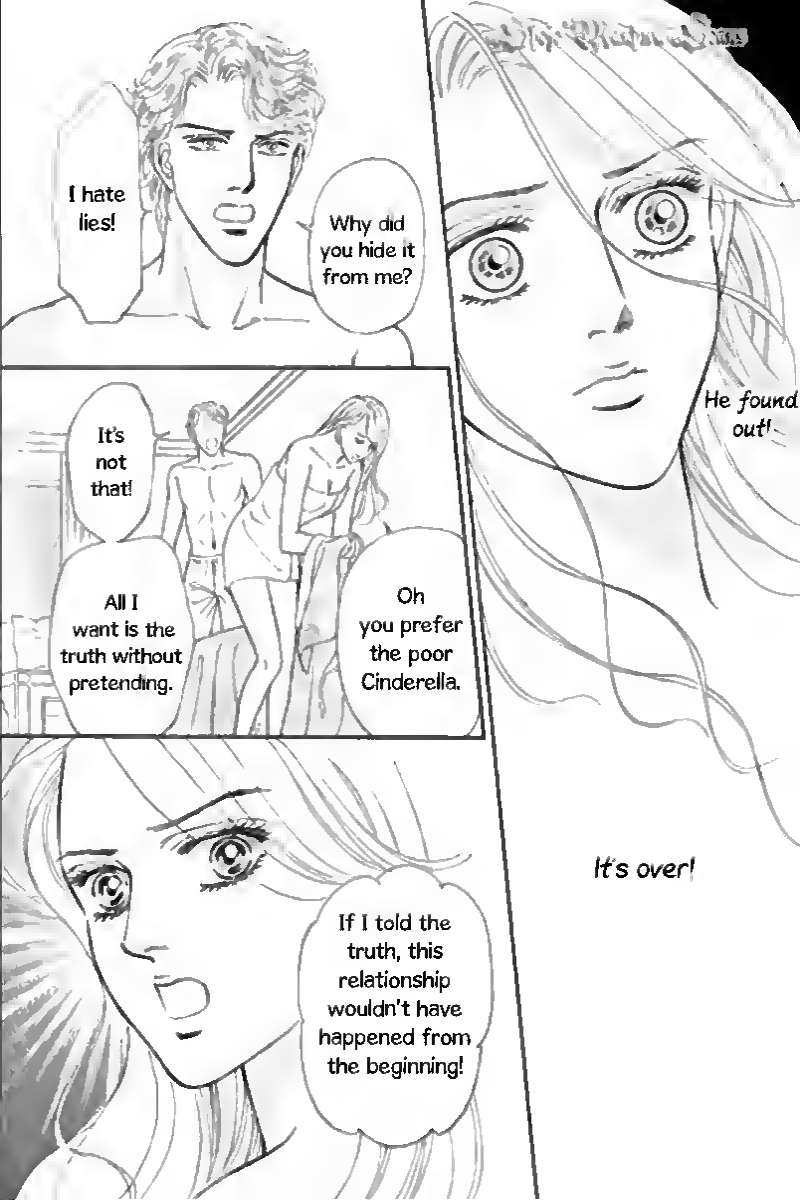
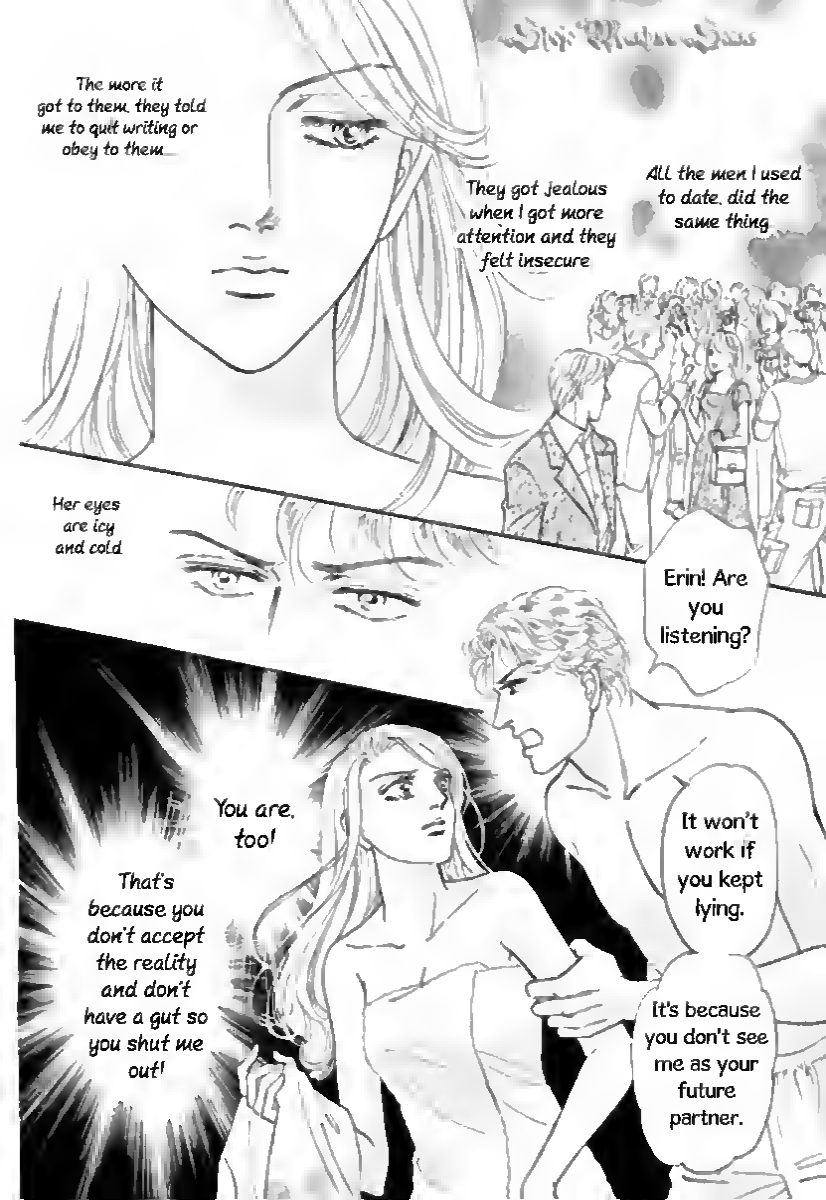
THE DAILY NEWS
Raspberry Sor
Girl receives
Why did she hide it from me?
She pretended to be a preschool teacher and play the fairytale story?
What was the hell about what happened with us?

She even created many different characters and her second books went out of print distribution
Erin Lavelle is a writer in the world
Who she is, really?
But Erin avoids the press
Stupid, she is, rich too
파스락
What? She helped Peter get over with that he hates the most?
She left?
Erin!
Huh?

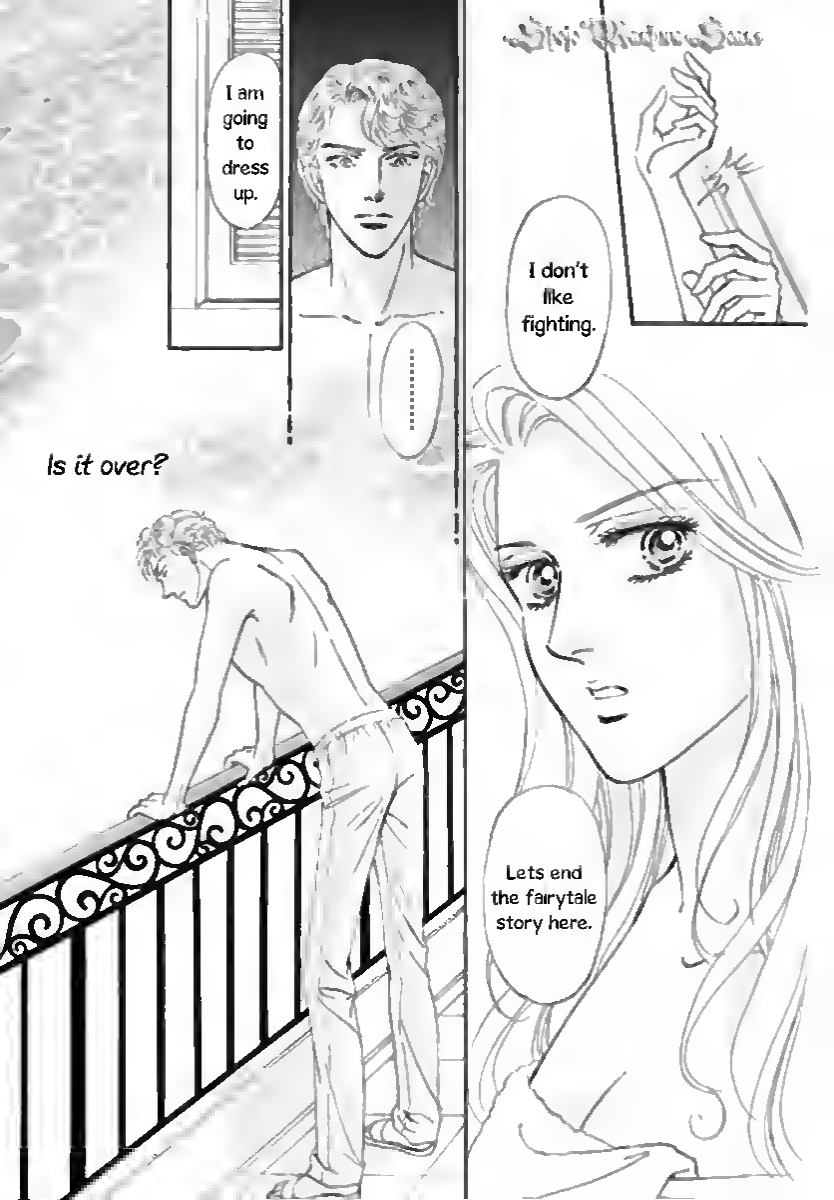
What is going on? Why does he look angry?
Good morning, I was showering.
Your mother?
You told her about me?
My mother just called. She wants to invite you for lunch.
Does it mean I can't tell her?
파락
She saw this paper and called me!



I hate lies!
Why did you hide it from me?
He found out!
It's not that!
All I want is the truth without pretending.
Oh you prefer the poor Cinderella.
It's over!
If I told the truth, this relationship wouldn't have happened from the beginning!



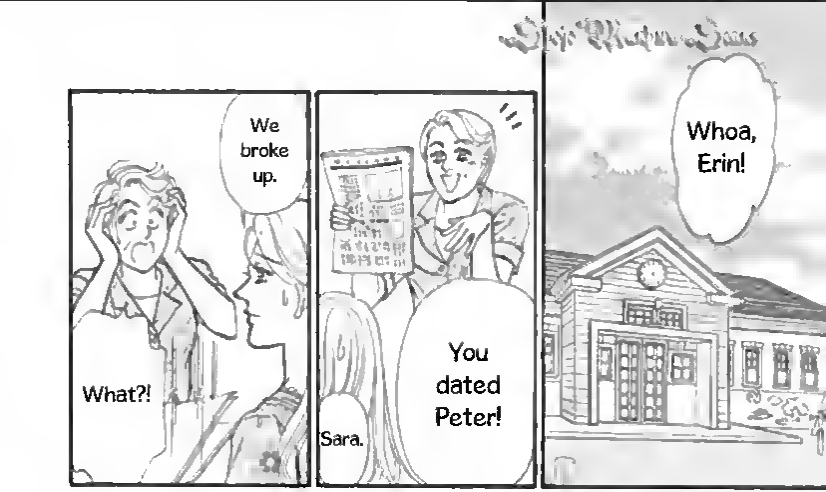
The more it got to them, they told me to quit writing or obey to them
They got jealous when I got more attention and they felt insecure
All the men I used to date, did the same thing
Her eyes are icy and cold
Erin! Are you listening?
It won't work if you kept lying.
It's because you don't see me as your future partner.
You are, too!
That's because you don't accept the reality and don't have a gut so you shut me out!



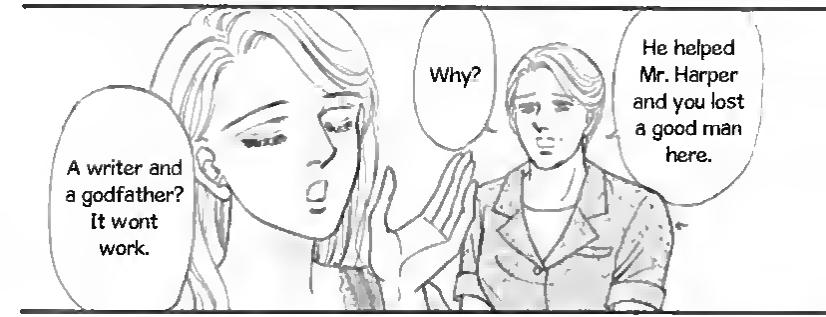
I am going to dress up.
.....
Is it over?
I don't like fighting.
Lets end the fairytale story here.

Take care.
only wanted to be a man's lover for once.
I just...
Peter
But it's not possible.
The past two days were wonderful.
Thank you.

This is humiliation for me
So that's how it is?
From the beginning she only wanted to have fun and leave?



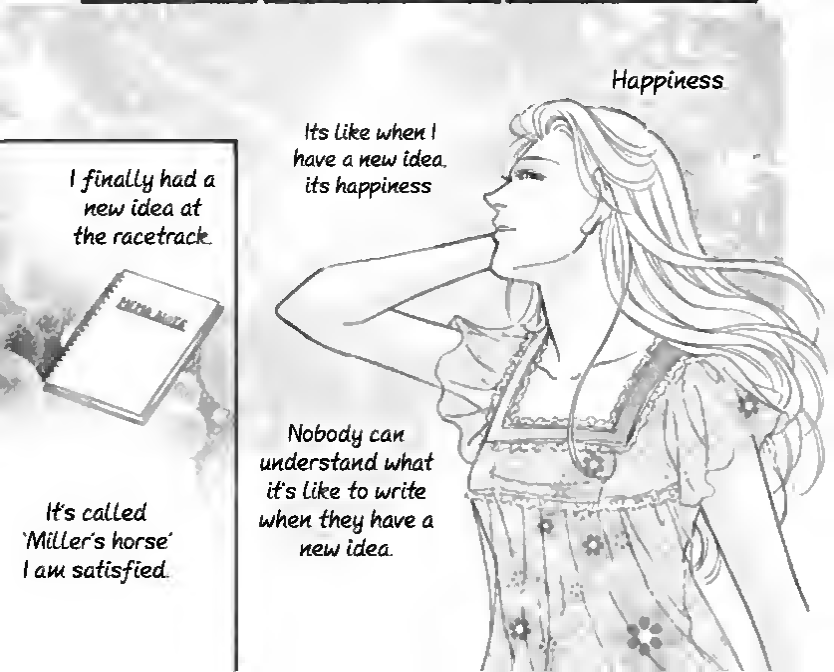
We broke up.
What?!
Sara.
You dated Peter!
Whoa, Erin!



A writer and a godfather? It wont work.
Why?
He helped Mr. Harper and you lost a good man here.

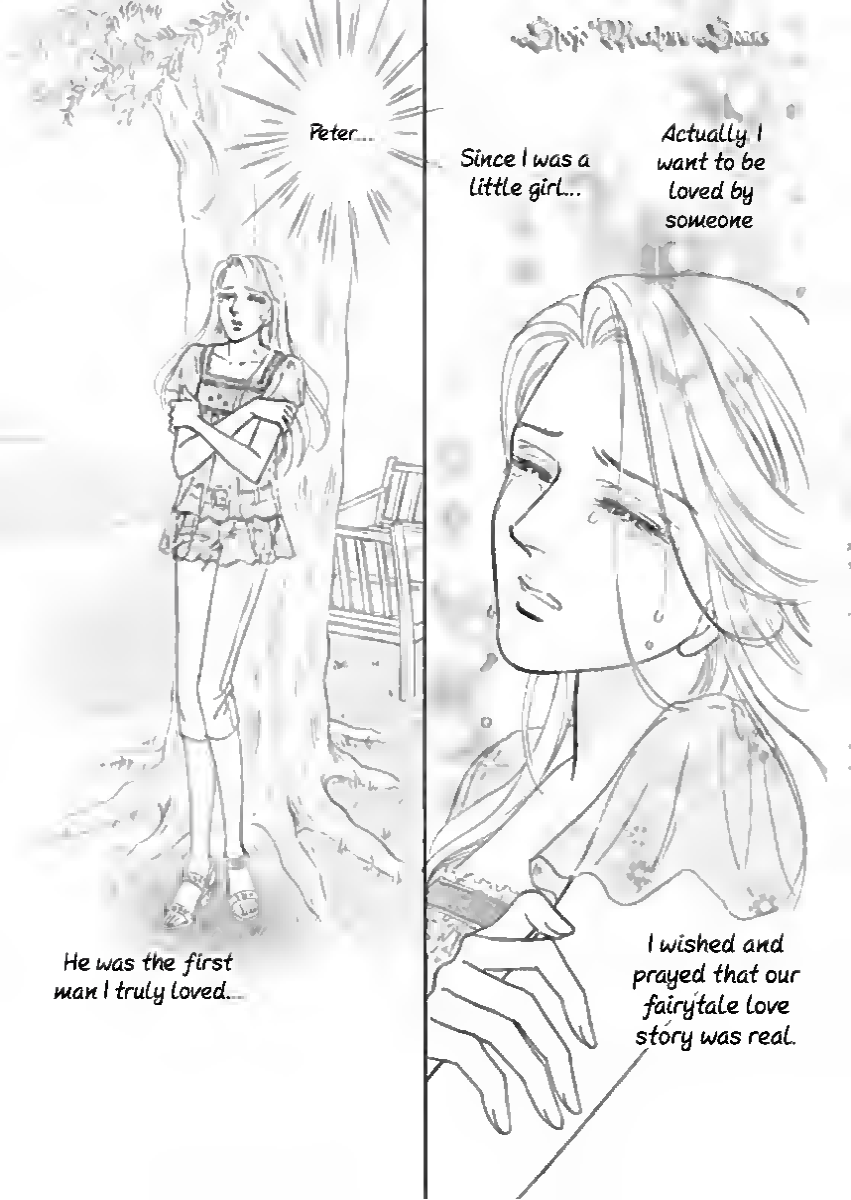
Do you think it's working for you, living like a dream?
Are you sure you are okay?
You are always like that.

Thank you, Sara.
I want you to fall in love with someone and live happily.
It's over.
Erin!
I will be busy for a while so I might not go help with storytelling.



I finally had a new idea at the racetrack.
EXTRA NOTE
It's called 'Miller's horse' I am satisfied.
Its like when I have a new idea. its happiness
Happiness
Nobody can understand what it's like to write when they have a new idea.

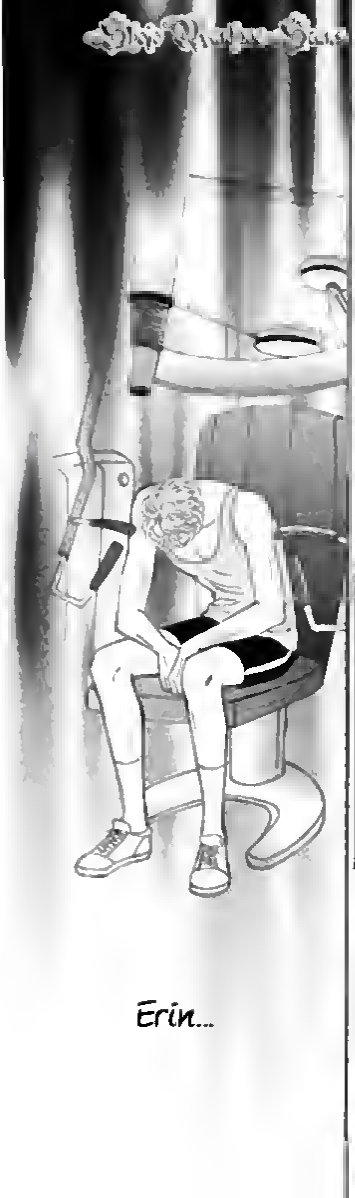
Is it really alright?
Can I live in a dream forever?
Oh..oh



Peter...
He was the first man I truly loved...
Since I was a little girl...
Actually I want to be loved by someone
I wished and prayed that our fairytale love story was real.

Peter, How is it going between you and Erin?
She wanted to know what it was like in the racetrack so I took her.
She and I are not in that kind of relationship.
That's unfair!
Then someone who you truly like?
Sorry, I am busy.
Can you take me there next time?

I don't even want to hold another woman anyway
She doesn't like lies but she did lie
Shit.
I tried to forget her but I couldn't
She played me and left me...



Erin...
Not only is she pretty on the outside,
but she is also beautiful on the inside.
Why did you break up?
Thinking that any woman would always want to marry me.
No, what I can't forgive is my egoism.
I want to be a man's lover.
Just once

It won't go away

You're 3 weeks pregnant.

I've been taking birth control pills, so it's hard to believe
There was a 1% chance of getting pregnant?

Whenever I think of that night my body gets hot
It seems he left me one last reminder of his love... a child
It was a very special night
I will fight until I get custody of the child
Should I inform him that I am pregnant?
What if he thinks I am lying to trap him?

I can live with this child
I'm not going to be lonely anymore
He will try to take this child away from me
I need to think more about this
Right now, I need to worry about my health first
Yeah...

I was surprised to get a call from Jen's agency but
YOUR BOOK IS GOING TO GO PUBLIC!
ERIN! IT'S BIG NEWS!
Everything is ready to be served.

I am trying to avoid the media.
Can we hold a meeting at my home in Sydney?
That's great news, but...
Actually...
The agency is holding a meeting about it, can you come to London?
OH MY! YOU SHOULD SAY YOU DON'T FEEL WELL!
8 MONTHS PREGNANT?!
I am going to ask the staff to keep it low...

WE ARE HERE, ERIN!
Jen Chart,
I missed you.
It's nice to meet you.
He is a director, Jack Prion.
Welcome to my home
Oh, our important sponsor is not here yet.
Come in.
Oh, you are here.

Sorry for being late.
Peter Ramsey?

Pregnant?!
Ah...
No! Don't look at me like that!

Why?
Why does this have to happen
Ah... Agh!
at a time like this?

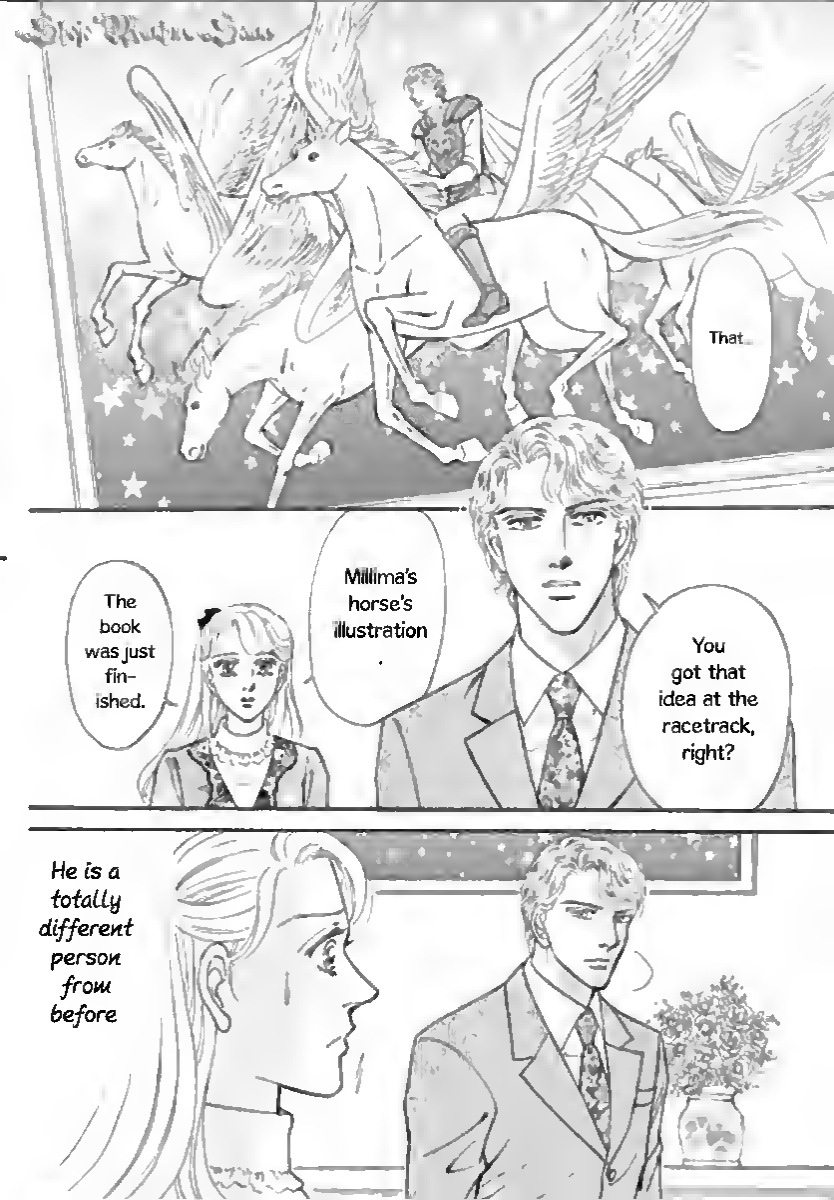
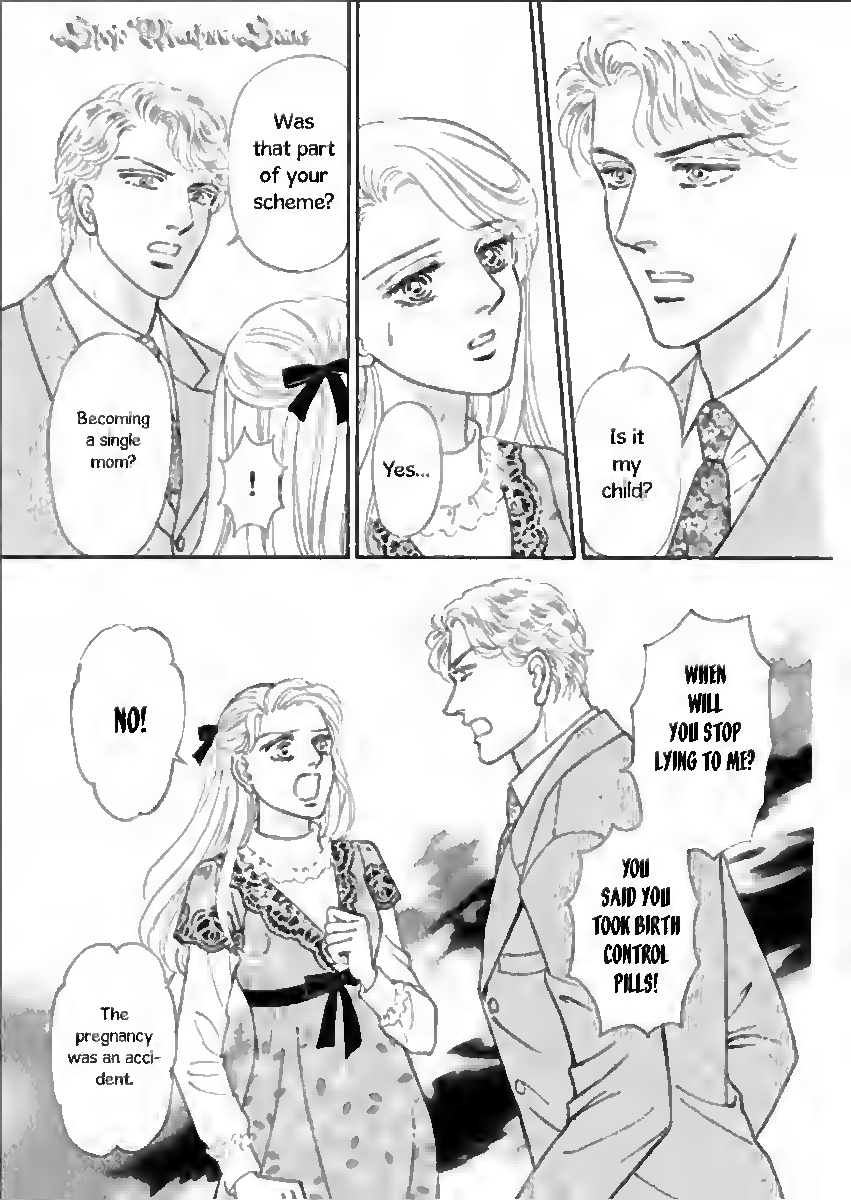
TODAY'S MEETING IS CANCELLED!
I will inform you of the schedule for the next appointment
Where is Erin?
What's going on, Peter?
Why would you do that?
HUH?
How can he say that like he is making a movie?
What do you suppose..
Yes? Yes.
Jack, do it.
Please use my car to go back to the hotel.

Aah...
Erin! Where are you?
Running away isn't going to work.
I am coming in
Ok...
Here... a library.
!



That...
Millima's horse's illustration.
The book was just finished.
You got that idea at the racetrack, right?
He is a totally different person from before



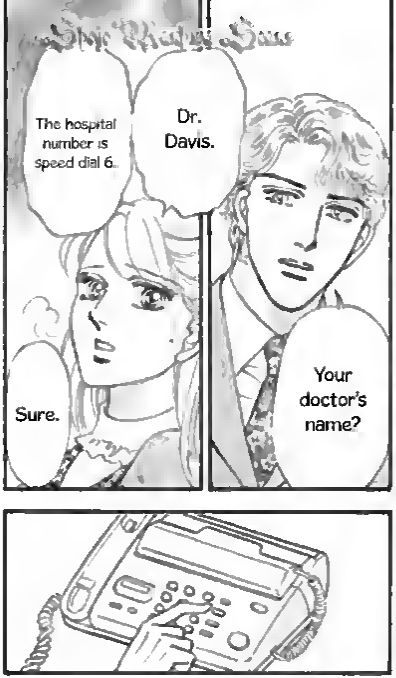
Was that part of your scheme?
Becoming a single mom?
!
Yes...
Is it my child?
NO!
The pregnancy was an accident.
YOU SAID YOU TOOK BIRTH CONTROL PILLS!
WHEN WILL YOU STOP LYING TO ME?

WERE YOU GOING TO HIDE THIS FOREVER?
THEN WHY DID YOU HIDE IT FROM ME UNTIL NOW?
After the baby was born safely...
I was going to tell you.
I kept taking my birth control pills until I found out I was pregnant.
If you think it's a lie, just ask my doctor.
I saved your name card here so I can call you some time.
IT'S NOT A LIE!
After the child is born safely?
You got busted so you made this excuse...

Why did you make my book into a movie?
Did you want to create a trap for me?
With your power and money, do you want control me?
Don't be ridiculous
I don't get people involved in a fake firm scheme.
I heard you dislike being a doll.
Then why did I try to help her with my resource?

As if he is going to fight as a warrior
Those eyes
Anyway ...
I won't forgive you if you try to rid me of this child's life.
I'm scared!
ACK!

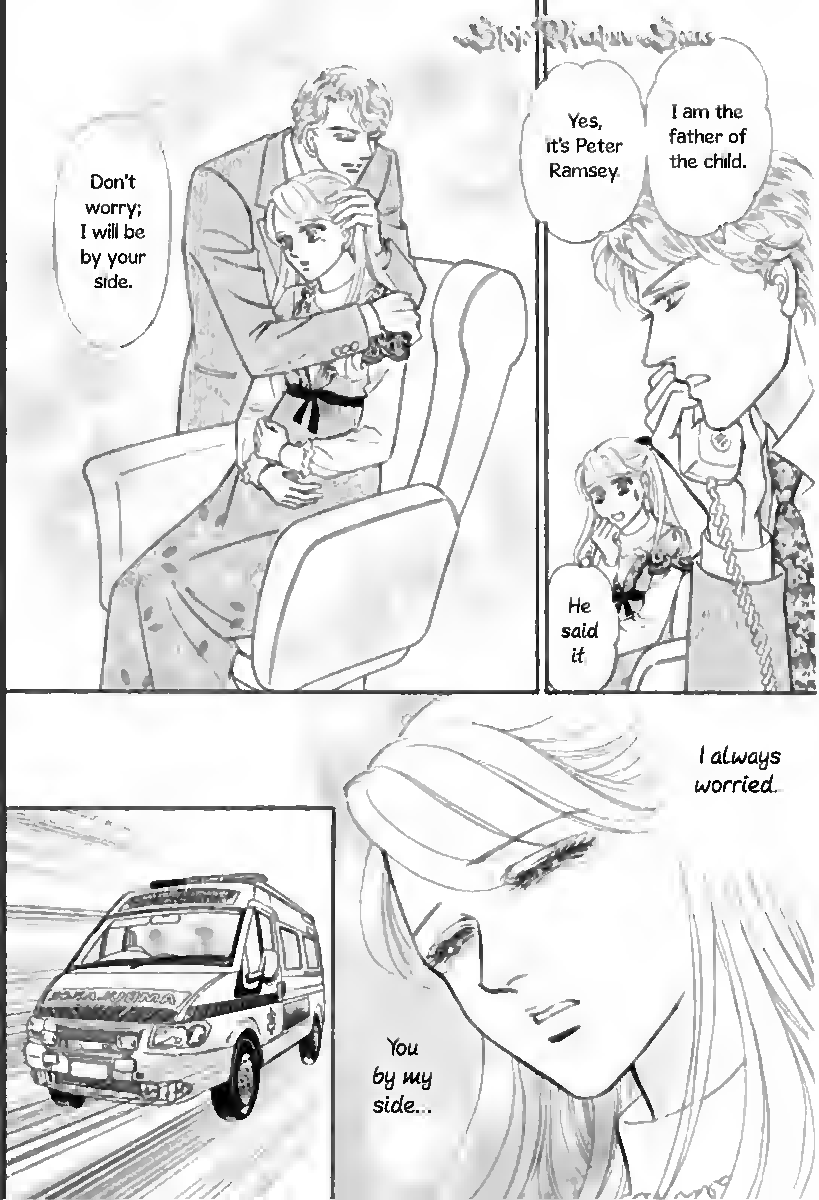
Ah..
Ack!
WHAT'S WRONG, ERIN?!
AHHH ...
The baby
IT'S COMING!



The hospital number is speed dial 6.
Dr. Davis.
Sure.
Your doctor's name?

Relax, it's all right
Just take a deep breath.
Yes.

Please bring an ambulance.
Peter Ramsey.
Right now, I'm in Erin Lavelle's residence. Her water just broke and her contraction has started.



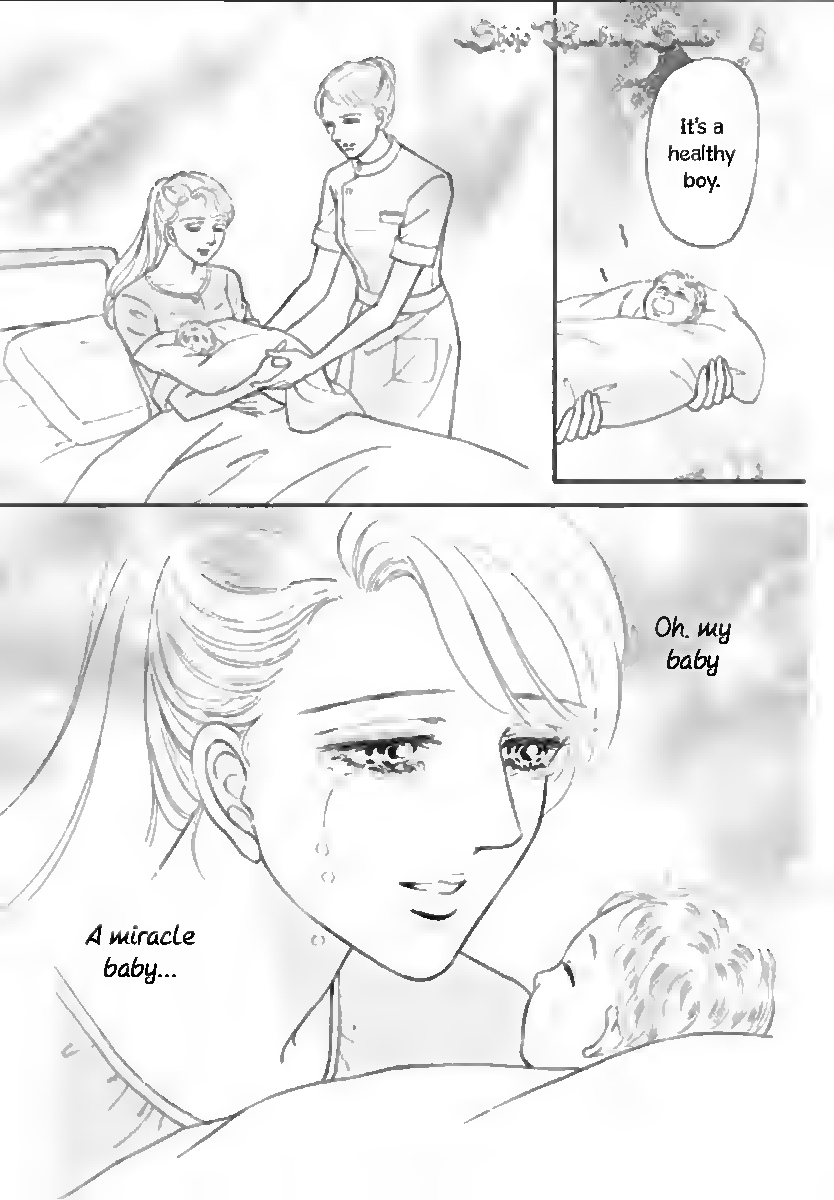
Don't worry; I will be by your side.
Yes, it's Peter Ramsey.
I am the father of the child.
He said it
I always worried.
You by my side...

This time?
Don't worry. Everything is fine this time.
Doctor, how is Erin's condition?
She once had a miscarriage
Actually, she had a complication,

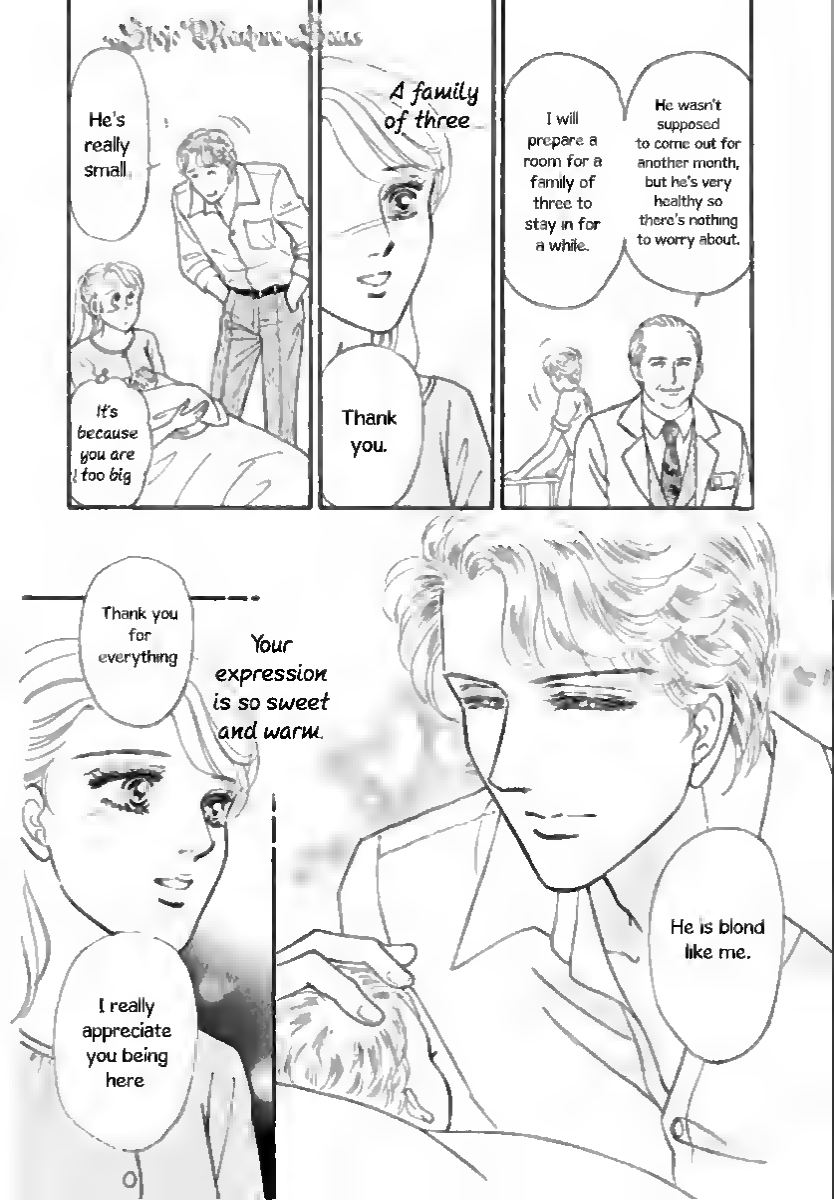
After the child was born safely
I was going to tell you.
She was afraid and
And yet I...
she was going through everything alone...

Delivery Room
Erin, be strong!
It's almost done!
Don't push too hard.
Slow.
Yes!

It went very well.
Great!
Erin, good job!
Crying...!!
Crying...!!



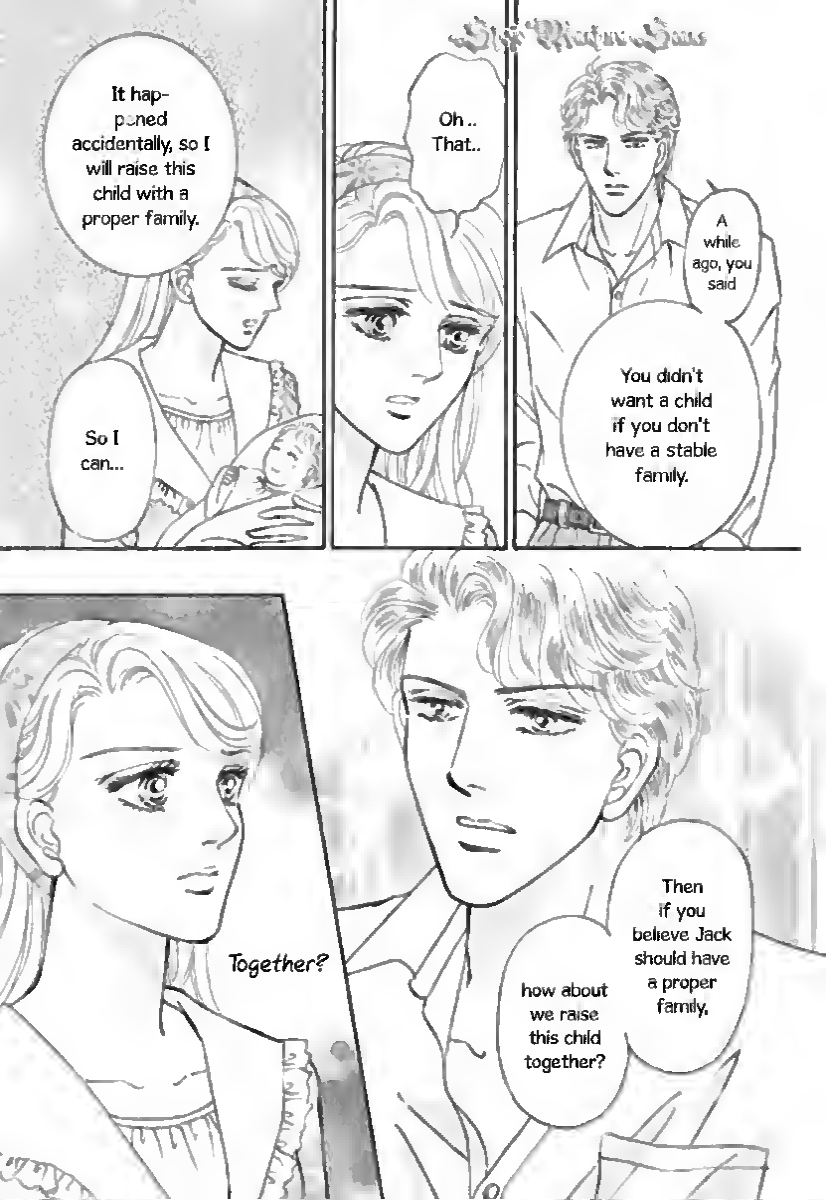
It's a healthy boy.
Oh. my baby
A miracle baby...



He's really small.
It's because you are too big
A family of three
Thank you.
I will prepare a room for a family of three to stay in for a while.
He wasn't supposed to come out for another month, but he's very healthy so there's nothing to worry about.
Thank you for everything
I really appreciate you being here
Your expression is so sweet and warm.
He is blond like me.

Is it fate?
Please, at least let me do this.
Erin... I am sorry for saying those things without knowing the situation you were in.
I am really glad.
Seeing this child as he was being born....

Have you thought of a name?
Yes, it's Jack. What do you think?
Jack Ramsey.
Sure.
It is Jack Lavelle
Is he going to take him away?



It happened accidentally, so I will raise this child with a proper family.
So I can...
Oh.. That..
A while ago, you said
You didn't want a child if you don't have a stable family.
Then if you believe Jack should have a proper family,
how about we raise this child together?
Together?

Get married to you?
After we get married, is he going to make me quit my job?
I don't want that!
I want to work and live with this child by my side
So the first thing we should do is
Get married.

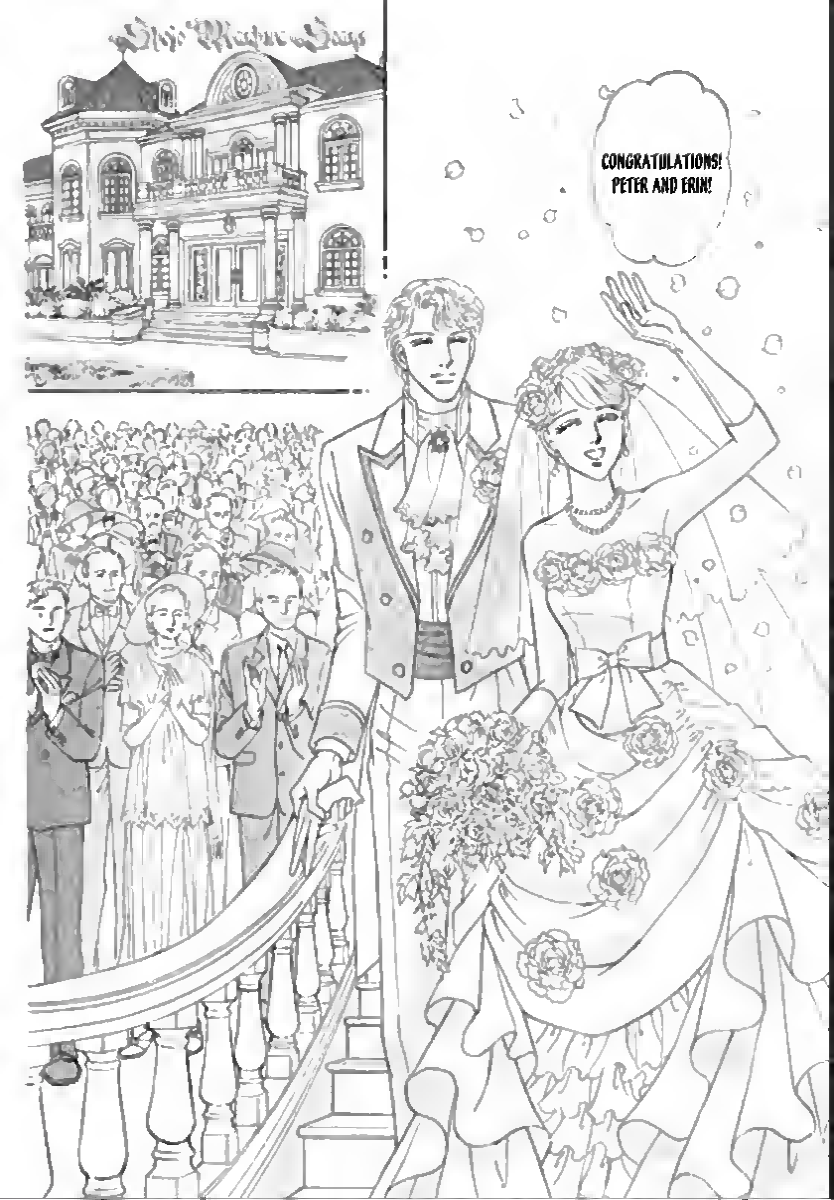
LIES! YOU DON'T WANT THIS!
YOU'LL GET OFFENDED IF I GET MORE ATTENTION FROM THE MEDIA THAN YOU DO.
LIKE THAT PRESS PAPER!
I am not going to quit being a writer.
Of course.
When you are busy, I will gladly watch our baby.

After our break-up, I bought all of your books and read them
Ah ...
I'm rather proud of your talent
Erin... Is that what you think?
So I decided to make the movie for your books.
Now I too, fell for your books.
I then understood why my mother collected all your works since I was a child.
He approved of my books?

At first, I was mad at you for hiding who you were.
I thought you refused me.
But I forgot one important thing.
That your life has been shining brightly as a writer,
which made you who you are now.
A man who doesn't under-stand you,
does not suit this princess.

I love you, Erin.
Will you allow me to be your prince?

Please marry me.
Oh, Peter.
My answer is yes.



CONGRATULATIONS!
PETER AND ERIN!

Like us.
If it's Erin, you will be happy
You two are still loveydovey.
Peter finally found the best partner.
Damien and Charlot te
I am sure he will be a great successor someday!
Jack is a blond and has blue eyes like me!
Of course, I watched it at the premiere once it opened.
Milima's horse...
Mother, have you seen Erin's movie?

The prince of my heart.
Oh, that's right. It's...
That main character
Somehow reminds me of some-one

Our fairytale story is going to last forever
